Remote Accessible Vote by Mail Voting

Our county is now offering a Remote Accessible Vote By Mail (RAVBM) System. This system will offer voters who are overseas, in the military, as well as voters with disabilities, the option to use a secure method to receive their ballot electronically. They will then mark, print and return their ballot to their elections official.

Voters with Disabilities
You can now vote a vote by mail ballot privately and independently. You must have access to a computer that has a printer attached. You will also need to apply to receive an electronic ballot. Once your application is processed, you will be emailed a link and login information. You will electronically sign a declaration attesting you are eligible to use the system and then the ballot will be downloaded to your computer. You will then mark your ballot electronically on your own computer, and can use assistance devices to enable selections on your computer.

Once you are done voting and have reviewed your choices, you will print the ballot with your choices on letter sized paper and then return your ballot by mail or in person to a polling place, ballot drop box or elections office.

To Apply For An Accessible Ballot:
- Complete the application on the back cover of this guide, check the box next to “I am a voter with a disability and request an accessible ballot” and provide your email address; or
- You can call our office at 1-800-SBC-VOTE or 1-800-722-8683.

NOTE: We cannot send your ballot electronically without your email address.

Military and Overseas Voters
You are eligible to use the RAVBM System to vote if you are one of the following:
- A U.S. citizen and a member of the Uniformed Services or Merchant Marine on active duty outside your county or your eligible spouse or dependent;
- A U.S. citizen and an activated National Guard member on State orders outside your county;
- A U.S. citizen residing outside the U.S. temporarily, indefinitely or having never resided in the U.S.

If you registered to vote online or on a Federal Post Card Application (FPCA) and you selected “Email or online” as your preference for receiving voting materials you will automatically be sent your ballot using this new Remote Accessible Vote By Mail System.

If you selected “Mail” or “Fax” for your voting material delivery preference, you will need to update your delivery preference to “Email or online”.

You can contact our office by email at votebymail2@co.santa-barbara.ca.us or call 1 (833) 412-0251 to check or update your voting material delivery preference.

To Apply as a Special Absentee Voter and vote electronically:
- California Online Voter Registration Form: https://registertovote.ca.gov/

NOTE: When registering online, if you do not have a valid California Driver’s License or State ID Card you will need to print your registration form, sign and return it to our office.

How do I find my precinct board at the polling place?

On the back cover of this guide, locate the word “Table” and a letter such as “A”. At the polling place, there will be a sign posted near the precinct table with the precinct number and that letter matching your guide, which lets you know which table you should go to at your polling place.

What do I do once I am at my precinct table?

1. You will be asked to provide your name and address and if you will need any assistance.
2. You will then be asked to sign the Official Roster next to your printed name and address.
3. You will then be provided your ballot and a secrecy sleeve. Please make sure your ballot matches the Sample/Practice Ballot in this guide and follow the instructions on the ballot.
4. Vote your ballot at one of the voting booths and then take it to the clerk near the ballot box who will ask you to deposit your ballot in the ballot box.

What to do if...

You received a vote by mail ballot and want to vote at your polling place:

- Take your ballot and the return identification envelope you received with the ballot to the polling place and give it to the roster clerk; or
- If you do not have your ballot and return identification envelope to turn in to the roster clerk, you will be issued a provisional ballot which will be counted as long as you haven’t already voted in this election.

You changed your name and did not reregister:

1. Let the roster clerk know. They will give you a new voter registration card to complete.
2. You will need to sign your new and old name in the Official Roster.

You didn’t provide your California driver’s license number when you mailed in your voter registration and you are voting for the first time:

See page 9 of this guide for information on Requirements for First Time Voters.

Your name is not listed in the Official Roster, or you are listed at a different address:

- If there is more than one precinct at your polling place location, please ask the traffic clerk if you are at the correct precinct; or
- Contact the County Elections Office to make sure you are registered to vote and/or at the correct precinct table/polling place. The precinct board will have will have cards with our telephone number and our staff can direct you to the correct polling place location/precinct table for your address; or
- You can vote a provisional ballot at that precinct, or any precinct.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up two (2) people to assist you with marking your ballot.
- Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the roster clerk signing you in that you need assistance voting your ballot.
- You and your assistant(s) will be asked to complete the Assisted Voter section of the Official Roster.
Do You Want to Vote for President?

• Libertarian

Voting at your polling place? Notify the precinct officials which ballot you wish to vote.

Always Vote by Mail? If you always vote by mail, you were mailed a postcard in mid-November to select a political party ballot before ballots are mailed on February 3. If you receive a ballot without the office of President and want to vote on that office, contact the County Elections Office.

Applying to Vote by Mail? Complete the vote by mail application printed on the back cover of this Voter Information Guide, print in the appropriate section of the application which political party ballot you desire to vote, and send it to the County Elections Office. You can also call the elections office at 1-800-722-8683 to request a ballot.

If you registered with no party preference otherwise known as “independent” or “nonpartisan”, and want to vote in the Presidential primary for one of the following political parties:

• Republican
• Green
• Peace & Freedom

you must re-register to vote with that political party. These parties are not allowing voters registered with no party preference to vote in their primary.

It's best to re-register by the February 18 deadline. However, if you miss the deadline, you can still register and vote in person up to and including Election Day.

Important Deadlines and Voter Registration Information

Important deadlines

March 3      Election Day

On Election Day:
• Polling place locations and County Election Offices are open from 7am to 8pm

Has your voter registration status changed?
• Have you moved?
• Have you changed your name?
• Have you changed your political party preference?
• Has your mailing address changed?

If you can answer yes to any of these questions, then you need to update your voter registration at http://www.registertovote.ca.gov or follow the link on the Santa Barbara County Elections website at http://www.sbcvote.com.

Requirements for First Time Voters

Any person voting for the first time who registers by mail and does not provide their California driver’s license, California identification number or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or to provide a copy of that identification with their vote by mail ballot. There are 30 forms of identification that can be used for this purpose under the Help America Vote Act of 2002, including a government issued check or a utility bill that includes the person’s name and address.

For a full list of the forms of identification that can be used, visit the Secretary of State’s website at: https://www.sos.ca.gov/elections/hava-id-standards/.

Forgot to register to vote or update your registration?

No problem! If you are not registered to vote or if you need to update your voter registration, you can register to vote and vote a ballot up to and including Election Day. This is known as conditional voter registration. Conditional voter registration can be done at the election office or at a polling place location in your County. If your residence address has changed and you did not update your registration with your new residence address, your polling place on the back cover of this guide might not be the correct polling place location for your new residence address. To find the correct polling place location for your address and make sure you receive a ballot containing all candidates and measures you are eligible to vote on, please call our office at 1-800-SBC-VOTE (1-800-722-8683) or use the polling place lookup on the Upcoming Elections page of our website at http://www.sbcvote.com.

If you do not confirm your polling place location, the ballot you will be given might not be the exact ballot that you are entitled to vote. It may have different candidates and ballot measures that you are not eligible to vote on. Once it is determined that you are eligible to register to vote, our office will count only the votes for the candidates and measures that you were entitled to vote on.
Santa Barbara County selects Dominion Voting Systems Democracy Suite® as Voting System for use in our County.

In 2019, Santa Barbara County selected Dominion Voting System’s Democracy Suite® as the system that best meets the current and future needs for the County for an integrated system to replace our aging voting system.

**Will I still receive a paper ballot?**
Yes, voters of Santa Barbara County will still receive a paper ballot at their polling place location and by mail. The ballot will look very similar to the ballot voters of our county are familiar with voting.

**What benefits does this system provide over the county’s older voting system?**
This system has been certified not only at the federal level, but also to the higher standard required by the California Voting System Standards. Best of all, it offers security and auditing features that exceed our older system. Additionally, this system will save time and money by increasing the speed of ballot counting, integrating the layout, tabulation, accessible voting solution and other features into one system, where previously these were handled by multiple systems. Democracy Suite® is also being used in many other counties in California, including our neighboring counties of San Luis Obispo, Kern and Ventura.

**What accessible voting system will be available at my polling location?**
Dominion Voting System’s accessible voting system, the ImageCast® X (ICX), will be available at each polling place location and election offices in Santa Barbara County. The ICX is an in-person, fully accessible voting machine that will support current and future models of voting. The ICX allows voters to mark, review, and edit their voting selections by using a touchscreen or Audio Tactile Interface and generates a printed ballot with the voter’s selections once the voter casts their ballot.

**New Remote Accessible Vote By Mail System available for Military/Overseas Voters and Voters with Disabilities**
Starting with the March 3, 2020, Presidential Primary Election, the County will offer voters overseas, in the military, as well as voters with disabilities, the option to use a secure method to receive their ballot electronically and then mark, print and return their ballot in person or by mail to their election official.

For more information on this option, see page 4 of this guide.

**No Postage Stamps Required**
The California State Legislature passed a bill requiring counties to pay postage on all vote by mail ballots. You will no longer need to affix postage to your reply envelope when voting by mail.

**Conditional Voter Registration at the Polls**
Miss the registration deadline? You can still register to vote, change your name, address, or political party preference up to and including Election Day. For more information, see page 9 of this guide.

Expenditure Limitations – State Legislative Candidates

Voters passed Proposition 34 in November 2000. This law says we must tell voters the names of candidates who agree to campaign spending limits. This law only applies to candidates for State Legislative offices. Candidates who agree are allowed to pay for and publish a candidate’s statement of qualifications in this Voter Information Guide.

THE FOLLOWING PAGES CONTAIN CANDIDATE STATEMENTS OF QUALIFICATIONS

(For races that will be on your ballot)
STATEMENT OF CANDIDATE FOR  
United States Representative in Congress,  
24th District

SALUD CARBAJAL  
Occupation: Member of Congress 

Education and Qualifications: I’m Salud Carbajal, and I’ve worked hard to represent our Central Coast values as your representative in Congress.

As a husband, father, and Marine Corps veteran, I believe in the value of service and working hard to help our community. I attended UCSB while maintaining two jobs to become the first in my family to graduate from a university. My wife Gina and I have raised our family here.

I know the struggle of providing for a family and helping care for parents as they grew older. That’s why, in Congress, I’m fighting to make sure that everyone has opportunities; not just to get by, but to improve our quality of life.

In Congress, I’ve brought Republicans and Democrats together on issues that matter to the Central Coast, like creating jobs and making healthcare more affordable and accessible. I’ve brought forward bills to address climate change, ban offshore oil drilling, increase support for veterans, and promote commonsense gun safety measures. At the same time, I took action to help communities devastated by fires and mudslides, and to make our communities more resilient.

We are capable of so much when we work together. Pushing for bipartisanship has always been a guiding principal for me. I hope to continue serving you and working with you to address the challenges facing the Central Coast and our nation.

Thank you.

STATEMENT OF CANDIDATE FOR  
United States Representative in Congress,  
24th District

ANDY CALDWELL  
Occupation: Government Watchdog 

Age: 61

Education and Qualifications: If you are not happy with how our state and nation are being run, you are not alone! The good news? You have a choice to support a candidate who believes in the Constitution and has fought for change.

As a government watchdog and taxpayer advocate, I have spent 30 years building a non-partisan coalition of labor, agriculture and business working together to fight corruption and waste and to create more opportunity and higher wages for everyone.

We need change because partisan gridlock has crippled Congress while we suffer from water rationing, wildfires, power shutdowns, rising prescription and housing costs, crumbling infrastructure and a homeless crisis.

I never planned to run for office, but I can’t stand watching our country be torn apart by politicians dragging America into socialism. The last thing our children need is to inherit more debt and government control of their lives.

I have a record of getting things done! Let’s reduce healthcare and prescription prices, but not with “MediCare-for-All” that will bankrupt America while reducing quality and access. We will protect our environment, but not with the “Green New Deal” which will ruin our economy and pay people for doing nothing.

I’ll fight to protect our Constitution, our rights, and the values we share by promoting policies that make sense – common sense! I am running to serve and represent you, not to become another career partisan politician. Please vote for me. Join us at www.AndyCaldwell2020.com
S. MONIQUE LIMÓN
Occupation: State Assemblymember

Education and Qualifications: I represent Santa Barbara and Ventura Counties in the State Assembly, and am a lifelong resident of the area. I have a proven record of working to improve our schools, protecting our environment, expanding job training, advancing women’s health care and protecting consumers.

My experience gives me a unique understanding of how state policies impact us locally. I’m a strong voice at the State Capitol for our local communities, helping shape outcomes for our local schools, environment, neighborhoods, and economy.

Our communities suffered destructive natural disasters, and I’ve worked to partner with state, federal, and local leaders to ensure that we have the ability to rebuild and recover. As the former Chair of the California State Assembly Select Committee on Natural Disaster Response, Recovery, and Rebuilding, I’ve fought to improve emergency communication, clean-up hazardous materials, and create a statewide taskforce on fire prevention. I’m proud to be supported by the California Professional Firefighters.

My work to protect our environment has earned me the support of the California League of Conservation Voters. I’ll continue to protect our coast and tackle the causes of climate change.

Access to healthcare continues to be a priority for our community and I’m working with a coalition to protect and improve it. I earned a 100% voting record with Health Access California, helped pass prescription drug pricing transparency, and wrote new laws providing emergency physicians with critical medical records and keeping the cost of cancer medication down.

I would be honored to have your vote.

CHARLES W. COLE  
Occupation: Businessman/Media Consultant  
Education and Qualifications: Why I am running for Assembly 37th District - It's Time For A Change!  
I believe government is out of control, inefficient, and misdirected.  
1) Public schools are teaching race hatred and division as a minor, with cultural marxism and anti-American studies as a standard curriculum.  
2) Freeways take 25 years to be updated and are still gridlocked.  
3) Government, which can barely run the Post Office, wants to attack and end private healthcare options, then force people to buy an inefficient government health care product.  
4) At the same time welfare agencies dole out housing money to new arrivals, local citizens are living on the streets or driving 50 miles on crowded freeways to live and work.  
My background in accounting, business, and statistics makes it clear these are serious economic and policy problems. Problems I believe can be solved with conservative business principles, and not with socialist, free everything policies.

Member of the State Assembly,  
37th District

ELSA GRANADOS  
Occupation: Executive Director – Standing Together to End Sexual Assault  
Education and Qualifications: I'm Elsa Granados, a bilingual social justice advocate who has dedicated my career to standing up for some of the most vulnerable members of our society. For more than two decades, I have been the executive director of a local nonprofit organization, Standing Together to End Sexual Assault, formerly known as Santa Barbara Rape Crisis Center. I have fought for the rights of migrant workers, incarcerated populations, and working-class families.  
Now, I am ready to bring that same energy and my years of experience to stand up for constituents of the 37th Assembly District.  
My background is a blend of formal education, community involvement, and civic engagement. Working in the nonprofit sector and on various boards has honed my administrative and management skills, given me a strong understanding of state and federal regulations, and prepared me to be fiscally responsible. I have conducted public policy at the local, state, and national levels.  
As a child of immigrant parents, I saw firsthand both the struggles people face as well as how we can overcome them. I value the diversity in our community and will work hard to secure resources that are culturally and linguistically appropriate.  
As your assembly member, I will work with government, nonprofit, and private entities to develop more affordable housing, create good-paying jobs, increase access to educational resources, focus on providing healthcare for all, and help preserve our environment for future generations to experience. I would be honored to have your vote.

JASON DOMINGUEZ  
Occupation: City Councilmember/Teacher  
Education and Qualifications: You can trust me to put the community over special interests: I've served our community as a prosecutor, non-profit CEO, and now as a Councilmember and teacher. I'm honored to have the reputation as a hardworking, solution-oriented leader. I will fight for you when it comes to homelessness, public safety, affordable housing and local control to stop overdevelopment. I helped homeless individuals into housing as director of the Santa Barbara Legal Aid Foundation. As a member of the City of Santa Barbara Housing Task Force, I supported new initiatives for affordable housing. I introduced policies to stop overdevelopment as liaison to the City of Santa Barbara Planning Commission and will fight state-standards.  
--Graduate: Stanford University & University of California at Berkeley. -- Professor: The Santa Barbara & Ventura Colleges of Law. -- CEO & Founder: The Justice Center non-profit. -- Former Santa Barbara Deputy County Counsel, Los Angeles Deputy District Attorney and Deputy City Attorney. -- Former war crimes prosecutor: United Nations.  
--Other accomplishments: hiring chiefs for police and fire, returning a $3M budget surplus, and spearheading private-public housing partnerships. I advocated for community choice energy and creating high-paying jobs in sustainable energy: around 80 councils in California have adopted my resolution.  
--My Platform -- Work on root causes of homelessness: mental health, substance abuse. -- Reduce housing costs by incentivizing affordable housing, cutting red tape. -- Combat wildfires by modernizing energy infrastructure. -- Strengthen background checks, common sense gun safety laws. -- Defend Medi-Cal, affordable healthcare. -- Make public schools cost-effective and outcome-oriented. -- Hold the line on tuition: University of California, California State University, and community colleges. -- Combat climate change by holding polluters accountable.  
Endorsements -- Mayors: City of Buellton Holly Sierra, City of Solvang Ryan Toussaint, -- Councilmember, City of Santa Barbara, Meagan Harmon -- Bob Handy, U.S. Navy veteran  
I’d be honored by your vote.

STATEMENT OF CANDIDATE FOR  
Member of the State Assembly,  
37th District

JONATHAN ABBAUD  
Occupation: Community College Trustee/Special District Manager  
Education and Qualifications: I grew up with immigrant parents in a working-class neighborhood with underfunded schools. This energized me politically to question why there was a ‘good’ and ‘bad’ school in the first place? Your zip code shouldn’t determine your future, I believe we prosper only when everyone prospers.  
As your next State Assemblymember, I will champion public education and fight for a government that puts people first, not corporations.  
While the gap between the wealthy and everyone else widens, homelessness grows, and wildfires and power shutoffs threaten our communities, we must act now by:  
-Making education a lifelong right: from universal pre-K to tuition-free public colleges.  
-Building affordable housing: with public investments to keep them affordable.  
-Fighting climate change: a green new deal, ending all new oil drilling permits, investing in clean renewable energy, public transportation, clean water systems, and good jobs.  
Voters elected me twice to serve as a Santa Barbara Community College District Trustee to work locally and in Sacramento to fight for the values we share.  
I have lived on the Central Coast my entire adult life. I attended UC Santa Barbara and was elected Student Body President, earning both a BA in Political Science and Master of Technology Management. I worked in Sacramento and in my community to create the Isla Vista Community Services District, where I serve as General Manager.  
As your State Assemblymember I will use my experience as an education policymaker, community organizer, and local government executive to involve all of us in accomplishing our agenda in Sacramento.

Census 2020: What you need to know

The 2020 Census is closer than you think! Here’s a quick review of what it is and why it’s important that everyone is counted.

What is it?
The census is a process of counting every person living in the United States. The first census took place in 1790. The U.S. Constitution mandates that everyone in the country be counted every 10 years.

What is it used for?
**Representation:** Every 10 years, the results of the census are used to determine how many seats each state gets in the House of Representatives. This determines how many electoral college votes each state has as well.

**Money:** The results of the census also help with deciding the distribution of more than $675 billion in federal funds and grants to be spent locally on schools, hospitals, roads, public works and other vital programs.

**Boundaries:** After every census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for change in population.

Your privacy
Your privacy is protected. It’s against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household. By law, the Census Bureau cannot share your answers with any other government agency.

The Census Bureau will not ask you for your bank account information or social security number. An enumerator will always identify themselves, be wearing a badge, and will never ask to enter your home.

How you can be involved
Be counted! 2020 will be easier than ever to participate in. In 2020, you will be able to respond to the census online, by paper questionnaire, by telephone or in person.

It takes lots of people to count the number of people living in our country. The Census Bureau needs your ideas on how to make sure everyone in our community gets counted.

En las elecciones de este año, algunos lugares de votación contarán con modelos de boletas traducidas que los votantes pueden usar como referencia al votar. La Secretaría de Estado determina qué lugares de votación contarán con estos modelos de boletas. Para saber si su lugar de votación contará con una boleta modelo traducida, o para solicitar que le envíen una antes del Día de Elecciones, por favor, visite nuestro sitio de internet o llame a nuestra oficina. Las solicitudes se deben recibir antes de los 7 días previos al Día de Elecciones.

Si necesita ayuda al votar, puede llevar hasta dos personas con usted a su lugar de votación, siempre que no sean representantes de su empleador o sindicato. ¡Lleve a un familiar o amigo!

Remote Accessible Vote by Mail Voting

Our county is now offering a Remote Accessible Vote By Mail (RAVBM) System. This system will offer voters who are overseas, in the military, as well as voters with disabilities, the option to use a secure method to receive their ballot electronically. They will then mark, print and return their ballot to their elections official.

Voters with Disabilities
You can now vote a vote by mail ballot privately and independently. You must have access to a computer that has a printer attached. You will also need to apply to receive an electronic ballot. Once your application is processed, you will be emailed a link and login information. You will electronically sign a declaration attesting you are eligible to use the system and then the ballot will be downloaded to your computer. You will then mark your ballot electronically on your own computer, and can use assistance devices to enable selections on your computer.

Once you are done voting and have reviewed your choices, you will print the ballot with your choices on letter sized paper and then return your ballot by mail or in person to a polling place, ballot drop box or elections office.

To Apply For An Accessible Ballot:
- Complete the application on the back cover of this guide, check the box next to “I am a voter with a disability and request an accessible ballot” and provide your email address; or
- You can call our office at 1-800-SBC-VOTE or 1-800-722-8683.

NOTE: We cannot send your ballot electronically without your email address.

Military and Overseas Voters
You are eligible to use the RAVBM System to vote if you are one of the following:
- A U.S. citizen and a member of the Uniformed Services or Merchant Marine on active duty outside your county or your eligible spouse or dependent;
- A U.S. citizen and an activated National Guard member on State orders outside your county;
- A U.S. citizen residing outside the U.S. temporarily, indefinitely or having never resided in the U.S.

If you registered to vote online or on a Federal Post Card Application (FPCA) and you selected “Email or online” as your preference for receiving voting materials you will automatically be sent your ballot using this new Remote Accessible Vote By Mail System.

If you selected “Mail” or “Fax” for your voting material delivery preference, you will need to update your delivery preference to “Email or online”.

You can contact our office by email at votebymail2@co.santa-barbara.ca.us or call 1 (833) 412-0251 to check or update your voting material delivery preference.

How do I find my precinct board at the polling place?

On the back cover of this guide, locate the word “Table” and a letter such as “A”. At the polling place, there will be a sign posted near the precinct table with the precinct number and that letter matching your guide, which lets you know which table you should go to at your polling place.

What do I do once I am at my precinct table?

1. You will be asked to provide your name and address and if you will need any assistance.
2. You will then be asked to sign the Official Roster next to your printed name and address.
3. You will then be provided your ballot and a secrecy sleeve. Please make sure your ballot matches the Sample/Practice Ballot in this guide and follow the instructions on the ballot.
4. Vote your ballot at one of the voting booths and then take it to the clerk near the ballot box who will ask you to deposit your ballot in the ballot box.

What to do if…

You received a vote by mail ballot and want to vote at your polling place:

- Take your ballot and the return identification envelope you received with the ballot to the polling place and give it to the roster clerk; or
- If you do not have your ballot and return identification envelope to turn in to the roster clerk, you will be issued a provisional ballot which will be counted as long as you haven’t already voted in this election.

You changed your name and did not reregister:

1. Let the roster clerk know. They will give you a new voter registration card to complete.
2. You will need to sign your new and old name in the Official Roster.

You didn’t provide your California driver’s license number when you mailed in your voter registration and you are voting for the first time:

See page 9 of this guide for information on Requirements for First Time Voters.

Your name is not listed in the Official Roster, or you are listed at a different address:

- If there is more than one precinct at your polling place location, please ask the traffic clerk if you are at the correct precinct; or
- Contact the County Elections Office to make sure you are registered to vote and/or at the correct precinct table/polling place. The precinct board will have will have cards with our telephone number and our staff can direct you to the correct polling place location/precinct table for your address; or
- You can vote a provisional ballot at that precinct, or any precinct.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up two (2) people to assist you with marking your ballot.
- Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the roster clerk signing you in that you need assistance voting your ballot.
- You and your assistant(s) will be asked to complete the Assisted Voter section of the Official Roster.

Requirements for First Time Voters

Any person voting for the first time who registers by mail and does not provide their California driver’s license, California identification number or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or to provide a copy of that identification with their vote by mail ballot. Forgot to register to vote or update your registration?

No problem! If you are not registered to vote or if you need to update your voter registration, you can register to vote and vote a ballot up to and including Election Day. This is known as conditional voter registration. Conditional voter registration can be done at the election office or at a polling place location in your County. If your residence address has changed and you did not update your registration with your new residence address, your polling place on the back cover of this guide might not be the correct polling place location for your new residence address. **To find the correct polling place location for your address and make sure you receive a ballot containing all candidates and measures you are eligible to vote on, please call our office at 1-800-SBC-VOTE (1-800-722-8683) or use the polling place lookup on the Upcoming Elections page of our website a http://www.sbcvote.com.**

It may have different candidates and ballot measures that you are not eligible to vote on. Once it is determined that you are eligible to register to vote, our office will count only the votes for the candidates and measures that you were entitled to vote on.
Santa Barbara County selects Dominion Voting Systems Democracy Suite® as Voting System for use in our County.

In 2019, Santa Barbara County selected Dominion Voting System’s Democracy Suite® as the system that best meets the current and future needs for the County for an integrated system to replace our aging voting system.

**Will I still receive a paper ballot?**
Yes, voters of Santa Barbara County will still receive a paper ballot at their polling place location and by mail. The ballot will look very similar to the ballot voters of our county are familiar with voting.

**What benefits does this system provide over the county’s older voting system?**
This system has been certified not only at the federal level, but also to the higher standard required by the California Voting System Standards. Best of all, it offers security and auditing features that exceeds our older system. Additionally, this system will save time and money by increasing the speed of ballot counting, integrating the layout, tabulation, accessible voting solution and other features into one system, where previously these were handled by multiple systems. Democracy Suite® is also being used in many other counties in California, including our neighboring counties of San Luis Obispo, Kern and Ventura.

**What accessible voting system will be available at my polling location?**
Dominion Voting System’s accessible voting system, the ImageCast® X (ICX), will be available at each polling place location and election offices in Santa Barbara County. The ICX is an in-person, fully accessible voting machine that will support current and future models of voting. The ICX allows voters to mark, review, and edit their voting selections by using a touchscreen or Audio Tactile Interface and generates a printed ballot with the voter’s selections once the voter casts their ballot.

**New Remote Accessible Vote By Mail System available for Military/Overseas Voters and Voters with Disabilities**
Starting with the March 3, 2020, Presidential Primary Election, the County will offer voters overseas, in the military, as well as voters with disabilities, the option to use a secure method to receive their ballot electronically and then mark, print and return their ballot in person or by mail to their election official.

For more information on this option, see page 4 of this guide.

**No Postage Stamps Required**
The California State Legislature passed a bill requiring counties to pay postage on all vote by mail ballots. You will no longer need to affix postage to your reply envelope when voting by mail.

**Conditional Voter Registration at the Polls**
Miss the registration deadline? You can still register to vote, change your name, address, or political party preference up to and including Election Day. For more information, see page 9 of this guide.

(For races that will be on your ballot)
STATEMENT OF CANDIDATE FOR
United States Representative in Congress,
24th District

SALUD CARBAJAL
Occupation: Member of Congress

Education and Qualifications: I’m Salud Carbajal, and I’ve worked hard to represent our Central Coast values as your representative in Congress.

As a husband, father, and Marine Corps veteran, I believe in the value of service and working hard to help our community. I attended UCSB while maintaining two jobs to become the first in my family to graduate from a university. My wife Gina and I have raised our family here.

I know the struggle of providing for a family and helping care for parents as they grew older. That’s why, in Congress, I’m fighting to make sure that everyone has opportunities; not just to get by, but to improve our quality of life.

In Congress, I’ve brought Republicans and Democrats together on issues that matter to the Central Coast, like creating jobs and making healthcare more affordable and accessible. I’ve brought forward bills to address climate change, ban offshore oil drilling, increase support for veterans, and promote commonsense gun safety measures. At the same time, I took action to help communities devastated by fires and mudslides, and to make our communities more resilient.

We are capable of so much when we work together. Pushing for bipartisanship has always been a guiding principal for me. I hope to continue serving you and working with you to address the challenges facing the Central Coast and our nation.

For more information, please visit SaludCarbajal.com. I would be honored to have your support.
Thank you.

STATEMENT OF CANDIDATE FOR
United States Representative in Congress,
24th District

ANDY CALDWELL Age: 61
Occupation: Government Watchdog

Education and Qualifications: If you are not happy with how our state and nation are being run, you are not alone! The good news? You have a choice to support a candidate who believes in the Constitution and has fought for change.

As a government watchdog and taxpayer advocate, I have spent 30 years building a non-partisan coalition of labor, agriculture and business working together to fight corruption and waste and to create more opportunity and higher wages for everyone.

We need change because partisan gridlock has crippled Congress while we suffer from water rationing, wildfires, power shutdowns, rising prescription and housing costs, crumbling infrastructure and a homeless crisis.

I never planned to run for office, but I can’t stand watching our country be torn apart by politicians dragging America into socialism. The last thing our children need is to inherit more debt and government control of their lives.

I have a record of getting things done! Let’s reduce healthcare and prescription prices, but not with “MediCare-for-All” that will bankrupt America while reducing quality and access. We will protect our environment, but not with the “Green New Deal” which will ruin our economy and pay people for doing nothing.

I’ll fight to protect our Constitution, our rights, and the values we share by promoting policies that make sense – common sense! I am running to serve and represent you, not to become another career partisan politician. Please vote for me. Join us at www.AndyCaldwell2020.com
STATEMENT OF CANDIDATE FOR
State Senator,
19th District

S. MONIQUE LIMÓN
Occupation: State Assemblymember

Education and Qualifications: I represent Santa Barbara and Ventura Counties in the State Assembly, and am a lifelong resident of the area. I have a proven record of working to improve our schools, protecting our environment, expanding job training, advancing women’s health care and protecting consumers.

My experience gives me a unique understanding of how state policies impact us locally. I'm a strong voice at the State Capitol for our local communities, helping shape outcomes for our local schools, environment, neighborhoods, and economy.

Our communities suffered destructive natural disasters, and I’ve worked to partner with state, federal, and local leaders to ensure that we have the ability to rebuild and recover. As the former Chair of the California State Assembly Select Committee on Natural Disaster Response, Recovery, and Rebuilding, I’ve fought to improve emergency communication, clean-up hazardous materials, and create a statewide taskforce on fire prevention. I’m proud to be supported by the California Professional Firefighters.

My work to protect our environment has earned me the support of the California League of Conservation Voters. I’ll continue to protect our coast and tackle the causes of climate change.

Access to healthcare continues to be a priority for our community and I’m working with a coalition to protect and improve it. I earned a 100% voting record with Health Access California, helped pass prescription drug pricing transparency, and wrote new laws providing emergency physicians with critical medical records and keeping the cost of cancer medication down.

I would be honored to have your vote.

STATEMENT OF CANDIDATE FOR

37th District

CHARLES W. COLE
Occupation: Businessman/Media Consultant
Education and Qualifications: Why I am running for Assembly 37th District - It's Time For A Change!
I believe government is out of control, inefficient, and misdirected.
1) Public schools are teaching race hatred and division as a minor, with cultural marxism and anti-American studies as a standard curriculum.
2) Freeways take 25 years to be updated and are still gridlocked.
3) Government, which can barely run the Post Office, wants to attack and end private healthcare options, then force people to buy an inefficient government health care product.
4) At the same time welfare agencies dole out housing money to new arrivals, local citizens are living on the streets or driving 50 miles on crowded freeways to live and work.

My background is in accounting, business, and statistics makes it clear these are serious economic and policy problems. Problems I believe can be solved with conservative business principles, and not with socialist, free everything policies.

Occupation: Community College Trustee/Special District Manager
Education and Qualifications: I grew up with immigrant parents in a working-class neighborhood with underfunded schools. This energized me politically to question why there was a 'good' and 'bad' school in the first place? Your zip code shouldn't determine your future, I believe we prosper only when everyone prospers.

While the gap between the wealthy and everyone else widens, homelessness grows, and wildfires and power shutoffs threaten our communities, we must act now by:
- Making education a lifelong right: from universal pre-K to tuition-free public colleges.
- Building affordable housing: with public investments to keep them affordable.
- Fighting climate change: a green new deal, ending all new oil drilling permits, investing in clean renewable energy, public transportation, clean water systems, and good jobs.

Voters elected me twice to serve as a Santa Barbara Community College District Trustee to work locally and in Sacramento to fight for the values we share.

I have lived on the Central Coast my entire adult life. I attended UC Santa Barbara and was elected Student Body President, earning both a BA in Political Science and Master of Technology Management. I worked in Sacramento and in my community to create the Isla Vista Community Services District, where I serve as General Manager.

As your State Assemblymember I will use my experience as an education policymaker, community organizer, and local government executive to involve all of us in accomplishing our agenda in Sacramento.

37th District

ELS千万 GRANADOS
Occupation: Executive Director – Standing Together to End Sexual Assault
Education and Qualifications: I'm Elsa Granados, a bilingual social justice advocate who has dedicated my career to standing up for some of the most vulnerable members of our society. For more than two decades, I have been the executive director of a local nonprofit organization, Standing Together to End Sexual Assault, formerly known as Santa Barbara Rape Crisis Center. I have fought for the rights of migrant workers, incarcerated populations, and working-class families.

Now, I am ready to bring that same energy and my years of experience to stand up for constituents of the 37th Assembly District.

My background is a blend of formal education, community involvement, and civic engagement. Working in the nonprofit sector and on various boards has honed my administrative and management skills, given me a strong understanding of state and federal regulations, and prepared me to be fiscally responsible. I have conducted public policy at the local, state, and national levels.

As a child of immigrant parents, I saw firsthand both the struggles people face as well as how we can overcome them. I value the diversity in our community and will work hard to secure resources that are culturally and linguistically appropriate.

As your assembly member, I will work with government, nonprofit, and private entities to develop more affordable housing, create good-paying jobs, increase access to educational resources, focus on providing healthcare for all, and help preserve our environment for future generations to experience. I would be honored to have your vote.

Thank you,
Elsa Granados

JASON DOMINGUEZ
Occupation: City Councilmember/Teacher
Education and Qualifications: You can trust me to put the community over special interests: I've served our community as a prosecutor, non-profit CEO, and now as a Councilmember and teacher. I'm honored to have the reputation as a hardworking, solution-oriented leader. I will fight for you when it comes to homelessness, public safety, affordable housing and local control to stop overdevelopment. I helped homeless individuals into housing as director of the Santa Barbara Legal Aid Foundation. As a member of the City of Santa Barbara Housing Task Force, I supported new initiatives for affordable housing. I introduced policies to stop overdevelopment as liaison to the City of Santa Barbara Planning Commission and will fight state-mandates.

LAURA CAPPS  
Occupation: School Board Member, Santa Barbara Unified School District  
Education and Qualifications: We deserve a Supervisor who puts community interests ahead of special interests. Born and raised in Santa Barbara and a graduate of our public schools, I watched my parents, Lois and Walter Capps, get results by listening to everyone.

I worked in the Clinton White House and United States Senate. I am an independent voice on the Santa Barbara Unified School District Board where I have helped make our schools more safe, equitable and sustainable. Through No Kid Hungry, I’ve helped low-income children get free and healthy meals. I advocated for women as Chair of the Santa Barbara County Women’s Commission and on the Planned Parenthood Board. I’ve fought for our environment by leading the Community Environmental Council and Ocean Conservancy.

As a single mom, I am committed to the future of this County. As Supervisor, I will protect our climate and community, work to reduce poverty and homelessness, and be a champion for education. I am proud to have the support of Supervisors Susan Rose and Janet Wolf.

I’ll pass strong ethics rules and never be in the pocket of anyone – including the oil and cannabis industries. For the health of our kids, I will forge a balanced approach to cannabis.

As your Supervisor, I will work for you and listen to everyone. I respectfully ask for your vote.

DAS WILLIAMS  
Age: 45  
Occupation: Santa Barbara County Supervisor  
Education and Qualifications: I have represented our community for nearly 20 years as a Santa Barbara City Councilmember, State Legislator, and now as your County Supervisor. A lot of politicians talk about solving problems but I have a concrete track record of results. As a public servant, I have:

- Providing strong leadership during the Thomas Fire and debris flow, including taking the lead in writing a new local ordinance that eliminates red tape, allowing homeowners to rebuild faster.
- Authored landmark legislation requiring half of our state’s energy come from renewable sources and have been a fierce protector for the environment - holding oil companies accountable in the wake of the Refugio Spill.
- Stood up for survivors of sexual assault in the state legislature by authoring legislation to fund rape crisis centers and requiring college campuses to have stricter policies for holding students who commit sexual assault accountable.
- Turn around a $6 million County budget deficit to a surplus – investing more resources into public safety, public health, libraries, and proactive climate change solutions.

Please join our County Firefighters, Deputy Sheriffs, Sierra Club, and hundreds of community leaders in supporting my re-election as County Supervisor.

Census 2020: What you need to know

The 2020 Census is closer than you think! Here’s a quick review of what it is and why it’s important that everyone is counted.

What is it?
The census is a process of counting every person living in the United States. The first census took place in 1790. The U.S. Constitution mandates that everyone in the country be counted every 10 years.

What is it used for?

**Representation:** Every 10 years, the results of the census are used to determine how many seats each state gets in the House of Representatives. This determines how many electoral college votes each state has as well.

**Money:** The results of the census also help with deciding the distribution of more than $675 billion in federal funds and grants to be spent locally on schools, hospitals, roads, public works and other vital programs.

**Boundaries:** After every census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for change in population.

Your privacy
Your privacy is protected. It’s against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household. By law, the Census Bureau cannot share your answers with any other government agency.

The Census Bureau will not ask you for your bank account information or social security number. An enumerator will always identify themselves, be wearing a badge, and will never ask to enter your home.

How you can be involved
Be counted! 2020 will be easier than ever to participate in. In 2020, you will be able to respond to the census online, by paper questionnaire, by telephone or in person.

It takes lots of people to count the number of people living in our country. The Census Bureau needs your ideas on how to make sure everyone in our community gets counted.

Independent Redistricting Commission
Applications Available June 2020

One County. One Future.

In the November 2018 Statewide General Election, Santa Barbara County voters approved Measure G a. (County Code Section 2-10.9A) that establishes an 11-person Redistricting Commission to adjust the boundaries of the county supervisorial districts through an open and transparent process in accordance with federal and state criteria.

Commissioner eligibility criteria are available at https://bit.ly/2Ni8Lik.

The County Redistricting Commission must complete adoption of the redistricting plan within six months of receiving the final 2020 Census data, but not later than the requirements in the California Elections Code. It is estimated that the completion date will be August or September 2021.

How do I find my precinct board at the polling place?

On the back cover of this guide, locate the word “Table” and a letter such as “A”. At the polling place, there will be a sign posted near the precinct table with the precinct number and that letter matching your guide, which lets you know which table you should go to at your polling place.

What do I do once I am at my precinct table?

1. You will be asked to provide your name and address and if you will need any assistance.
2. You will then be asked to sign the Official Roster next to your printed name and address.
3. You will then be provided your ballot and a secrecy sleeve. Please make sure your ballot matches the Sample/Practice Ballot in this guide and follow the instructions on the ballot.
4. Vote your ballot at one of the voting booths and then take it to the clerk near the ballot box who will ask you to deposit your ballot in the ballot box.

What to do if...

You received a vote by mail ballot and want to vote at your polling place:

- Take your ballot and the return identification envelope you received with the ballot to the polling place and give it to the roster clerk; or
- If you do not have your ballot and return identification envelope to turn in to the roster clerk, you will be issued a provisional ballot which will be counted as long as you haven’t already voted in this election.

You changed your name and did not reregister:

1. Let the roster clerk know. They will give you a new voter registration card to complete.
2. You will need to sign your new and old name in the Official Roster.

You didn’t provide your California driver’s license number when you mailed in your voter registration and you are voting for the first time:

See page 9 of this guide for information on Requirements for First Time Voters.

Your name is not listed in the Official Roster, or you are listed at a different address:

- If there is more than one precinct at your polling place location, please ask the traffic clerk if you are at the correct precinct; or
- Contact the County Elections Office to make sure you are registered to vote and/or at the correct precinct table/polling place. The precinct board will have will have cards with our telephone number and our staff can direct you to the correct polling place location/precinct table for your address; or
- You can vote a provisional ballot at that precinct, or any precinct.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up two (2) people to assist you with marking your ballot.
- Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the roster clerk signing you in that you need assistance voting your ballot.
- You and your assistant(s) will be asked to complete the Assisted Voter section of the Official Roster.

On Election Day:
- Polling place locations and County Election Offices are open from 7am to 8pm

- Has your mailing address changed?

If you can answer yes to any of these questions, then you need to update your voter registration at [http://www.registertovote.ca.gov](http://www.registertovote.ca.gov) or follow the link on the Santa Barbara County Elections website at [http://www.sbcvote.com](http://www.sbcvote.com).

Requirements for First Time Voters

Any person voting for the first time who registers by mail and does not provide their California driver’s license, California identification number or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or to provide a copy of that identification with their vote by mail ballot. There are 30 forms of identification that can be used for this purpose under the Help America Vote Act of 2002, including a government issued check or a utility bill that includes the person’s name and address.

For a full list of the forms of identification that can be used, visit the Secretary of State’s website at: [https://www.sos.ca.gov/elections/hava-id-standards/](https://www.sos.ca.gov/elections/hava-id-standards/).

Forgot to register to vote or update your registration?

No problem! If you are not registered to vote or if you need to update your voter registration, you can register to vote and vote a ballot up to and including Election Day. This is known as conditional voter registration. Conditional voter registration can be done at the election office or at a polling place location in your County. If your residence address has changed and you did not update your registration with your new residence address, your polling place on the back cover of this guide might not be the correct polling place location for your new residence address. To find the correct polling place location for your address and make sure you receive a ballot containing all candidates and measures you are eligible to vote on, please call our office at 1-800-SBC-VOTE (1-800-722-8683) or use the polling place lookup on the Upcoming Elections page of our website at [http://www.sbcvote.com](http://www.sbcvote.com).

If you do not confirm your polling place location, the ballot you will be given might not be the exact ballot that you are entitled to vote. It may have different candidates and ballot measures that you are not eligible to vote on. Once it is determined that you are eligible to register to vote, our office will count only the votes for the candidates and measures that you were entitled to vote on.
Santa Barbara County selects Dominion Voting Systems Democracy Suite® as Voting System for use in our County.

In 2019, Santa Barbara County selected Dominion Voting System’s Democracy Suite® as the system that best meets the current and future needs for the County for an integrated system to replace our aging voting system.

Will I still receive a paper ballot?
Yes, voters of Santa Barbara County will still receive a paper ballot at their polling place location and by mail. The ballot will look very similar to the ballot voters of our county are familiar with voting.

What benefits does this system provide over the county’s older voting system?
This system has been certified not only at the federal level, but also to the higher standard required by the California Voting System Standards. Best of all, it offers security and auditing features that exceeds our older system. Additionally, this system will save time and money by increasing the speed of ballot counting, integrating the layout, tabulation, accessible voting solution and other features into one system, where previously these were handled by multiple systems. Democracy Suite® is also being used in many other counties in California, including our neighboring counties of San Luis Obispo, Kern and Ventura.

What accessible voting system will be available at my polling location?
Dominion Voting System’s accessible voting system, the ImageCast® X (ICX), will be available at each polling place location and election offices in Santa Barbara County. The ICX is an in-person, fully accessible voting machine that will support current and future models of voting. The ICX allows voters to mark, review, and edit their voting selections by using a touchscreen or Audio Tactile Interface and generates a printed ballot with the voter’s selections once the voter casts their ballot.

New Remote Accessible Vote By Mail System available for Military/Overseas Voters and Voters with Disabilities
Starting with the March 3, 2020, Presidential Primary Election, the County will offer voters overseas, in the military, as well as voters with disabilities, the option to use a secure method to receive their ballot electronically and then mark, print and return their ballot in person or by mail to their election official.

For more information on this option, see page 4 of this guide.

No Postage Stamps Required
The California State Legislature passed a bill requiring counties to pay postage on all vote by mail ballots. You will no longer need to affix postage to your reply envelope when voting by mail.

Conditional Voter Registration at the Polls
Miss the registration deadline? You can still register to vote, change your name, address, or political party preference up to and including Election Day. For more information, see page 9 of this guide.

Expenditure Limitations – State Legislative Candidates

Voters passed Proposition 34 in November 2000. This law says we must tell voters the names of candidates who agree to campaign spending limits. This law only applies to candidates for State Legislative offices. Candidates who agree are allowed to pay for and publish a candidate’s statement of qualifications in this Voter Information Guide.

| **Education and Qualifications:**  I’m Salud Carbajal, and I’ve worked hard to represent our Central Coast values as your representative in Congress.  
As a husband, father, and Marine Corps veteran, I believe in the value of service and working hard to help our community. I attended UCSB while maintaining two jobs to become the first in my family to graduate from a university. My wife Gina and I have raised our family here.  
I know the struggle of providing for a family and helping care for parents as they grew older. That’s why, in Congress, I’m fighting to make sure that everyone has opportunities; not just to get by, but to improve our quality of life.  
In Congress, I’ve brought Republicans and Democrats together on issues that matter to the Central Coast, like creating jobs and making healthcare more affordable and accessible. I’ve brought forward bills to address climate change, ban offshore oil drilling, increase support for veterans, and promote commonsense gun safety measures. At the same time, I took action to help communities devastated by fires and mudslides, and to make our communities more resilient.  
We are capable of so much when we work together. Pushing for bipartisanship has always been a guiding principal for me. I hope to continue serving you and working with you to address the challenges facing the Central Coast and our nation.  
For more information, please visit SaludCarbajal.com. I would be honored to have your support. Thank you. | **Occupation:** Government Watchdog |
| **Education and Qualifications:**  If you are not happy with how our state and nation are being run, you are not alone! The good news? You have a choice to support a candidate who believes in the Constitution and has fought for change.  
As a government watchdog and taxpayer advocate, I have spent 30 years building a non-partisan coalition of labor, agriculture and business working together to fight corruption and waste and to create more opportunity and higher wages for everyone.  
We need change because partisan gridlock has crippled Congress while we suffer from water rationing, wildfires, power shutdowns, rising prescription and housing costs, crumbling infrastructure and a homeless crisis.  
I never planned to run for office, but I can’t stand watching our country be torn apart by politicians dragging America into socialism. The last thing our children need is to inherit more debt and government control of their lives.  
I have a record of getting things done! Let’s reduce healthcare and prescription prices, but not with “MediCare-for-All” that will bankrupt America while reducing quality and access. We will protect our environment, but not with the “Green New Deal” which will ruin our economy and pay people for doing nothing.  
I’ll fight to protect our Constitution, our rights, and the values we share by promoting policies that make sense – common sense! I am running to serve and represent you, not to become another career partisan politician. Please vote for me. Join us at www.AndyCaldwell2020.com |
STATEMENT OF CANDIDATE FOR
State Senator,
19th District

S. MONIQUE LIMÓN
Occupation: State Assemblymember

Education and Qualifications: I represent Santa Barbara and Ventura Counties in the State Assembly, and am a lifelong resident of the area. I have a proven record of working to improve our schools, protecting our environment, expanding job training, advancing women's health care and protecting consumers.

My experience gives me a unique understanding of how state policies impact us locally. I'm a strong voice at the State Capitol for our local communities, helping shape outcomes for our local schools, environment, neighborhoods, and economy.

Our communities suffered destructive natural disasters, and I've worked to partner with state, federal, and local leaders to ensure that we have the ability to rebuild and recover. As the former Chair of the California State Assembly Select Committee on Natural Disaster Response, Recovery, and Rebuilding, I've fought to improve emergency communication, clean-up hazardous materials, and create a statewide taskforce on fire prevention. I'm proud to be supported by the California Professional Firefighters.

My work to protect our environment has earned me the support of the California League of Conservation Voters. I'll continue to protect our coast and tackle the causes of climate change.

Access to healthcare continues to be a priority for our community and I'm working with a coalition to protect and improve it. I earned a 100% voting record with Health Access California, helped pass prescription drug pricing transparency, and wrote new laws providing emergency physicians with critical medical records and keeping the cost of cancer medication down.

I would be honored to have your vote.

**CHARLES W. COLE**  
**Occupation:** Businessman/Media Consultant  
**Education and Qualifications:** Why I am running for Assembly 37th District - It's Time For A Change!  
I believe government is out of control, inefficient, and misdirected.  
1) Public schools are teaching race hatred and division as a minor, with cultural marxism and anti-American studies as a standard curriculum.  
2) Freeways take 25 years to be updated and are still gridlocked.  
3) Government, which can barely run the Post Office, wants to attack and end private healthcare options, then force people to buy an inefficient government health care product.  
4) At the same time welfare agencies dole out housing money to new arrivals, local citizens are living on the streets or driving 50 miles on crowded freeways to live and work.  
My background in accounting, business, and statistics makes it clear these are serious economic and policy problems. Problems I believe can be solved with conservative business principles, and not with socialist, free everything policies.

### STATEMENT OF CANDIDATE FOR
**Member of the State Assembly,**
**37th District**

**JONATHAN ABBoud**  
**Occupation:** Community College Trustee/Special District Manager  
**Education and Qualifications:** I grew up with immigrant parents in a working-class neighborhood with underfunded schools. This energized me politically to question why there was a ‘good’ and ‘bad’ school in the first place? Your zip code shouldn’t determine your future, I believe we prosper only when everyone prospers.  
As your next State Assemblymember, I will champion public education and fight for a government that puts people first, not corporations.  
While the gap between the wealthy and everyone else widens, homelessness grows, and wildfires and power shutoffs threaten our communities, we must act now by:  
- Making education a lifelong right: from universal pre-K to tuition-free public colleges.  
- Building affordable housing: with public investments to keep them affordable.  
- Fighting climate change: a green new deal, ending all new oil drilling permits, investing in clean renewable energy, public transportation, clean water systems, and good jobs.  
Voters elected me twice to serve as a Santa Barbara Community College District Trustee to work locally and in Sacramento to fight for the values we share.  
I have lived on the Central Coast my entire adult life. I attended UC Santa Barbara and was elected Student Body President, earning both a BA in Political Science and Master of Technology Management. I worked in Sacramento and in my community to create the Isla Vista Community Services District, where I serve as General Manager.  
As your State Assemblymember I will use my experience as an education policymaker, community organizer, and local government executive to involve all of us in accomplishing our agenda in Sacramento.

**ELSA GRANADOS**  
**Occupation:** Executive Director – Standing Together to End Sexual Assault  
**Education and Qualifications:** I'm Elsa Granados, a bilingual social justice advocate who has dedicated my career to standing up for some of the most vulnerable members of our society. For more than two decades, I have been the executive director of a local nonprofit organization, Standing Together to End Sexual Assault, formerly known as Santa Barbara Rape Crisis Center. I have fought for the rights of migrant workers, incarcerated populations, and working-class families.  
Now, I am ready to bring that same energy and my years of experience to stand up for constituents of the 37th Assembly District.  
My background is a blend of formal education, community involvement, and civic engagement. Working in the nonprofit sector and on various boards has honed my administrative and management skills, given me a strong understanding of state and federal regulations, and prepared me to be fiscally responsible. I have conducted public policy at the local, state, and national levels.  
As a child of immigrant parents, I saw firsthand both the struggles people face as well as how we can overcome them. I value the diversity in our community and will work hard to secure resources that are culturally and linguistically appropriate.  
As your assemblymember, I will work with government, nonprofit, and private entities to develop more affordable housing, create good-paying jobs, increase access to educational resources, focus on providing healthcare for all, and help preserve our environment for future generations to experience. I would be honored to have your vote.

I’m honored to have the reputation as a hardworking, solution-oriented leader. I will fight for you when it comes to homelessness, public safety, affordable housing and local control to stop overdevelopment. I helped homeless individuals into housing as director of the Santa Barbara Legal Aid Foundation. As a member of the City of Santa Barbara Housing Task Force, I supported new initiatives for affordable housing. As a single mom, I am committed to the future of this County. As Supervisor, I will protect our climate and community, work to reduce poverty and homelessness, and be a champion for education. I am proud to have the support of Supervisors Susan Rose and Janet Wolf.  
I’ll pass strong ethics rules and never be in the pocket of anyone – including the oil and cannabis industries. For the health of our kids, I will forge a balanced approach to cannabis.  
As your Supervisor, I will work for you and listen to everyone. I respectfully ask for your vote.  
www.cappsforsupervisor.com | DAS WILLIAMS  
Age: 45  
Occupation: Santa Barbara County Supervisor  
Education and Qualifications: I have represented our community for nearly 20 years as a Santa Barbara City Councilmember, State Legislator, and now as your County Supervisor.  
A lot of politicians talk about solving problems but I have a concrete track record of results. As a public servant, I have:  
- Providing strong leadership during the Thomas Fire and debris flow, including taking the lead in writing a new local ordinance that eliminates red tape, allowing homeowners to rebuild faster.  
- Authored landmark legislation requiring half of our state’s energy come from renewable sources and have been a fierce protector for the environment - holding oil companies accountable in the wake of the Refugio Spill.  
- Stood up for survivors of sexual assault in the state legislature by authoring legislation to fund rape crisis centers and requiring college campuses to have stricter policies for holding students who commit sexual assault accountable.  
- Turn around a $6 million County budget deficit to a surplus – investing more resources into public safety, public health, libraries, and proactive climate change solutions.  
Please join our County Firefighters, Deputy Sheriffs, Sierra Club, and hundreds of community leaders in supporting my re-election as County Supervisor.

The 2020 Census is closer than you think! Here’s a quick review of what it is and why it’s important that everyone is counted.

What is it?
The census is a process of counting every person living in the United States. The first census took place in 1790. The U.S. Constitution mandates that everyone in the country be counted every 10 years.

What is it used for?
Representation: Every 10 years, the results of the census are used to determine how many seats each state gets in the House of Representatives. This determines how many electoral college votes each state has as well.

Money: The results of the census also help with deciding the distribution of more than $675 billion in federal funds and grants to be spent locally on schools, hospitals, roads, public works and other vital programs.

Boundaries: After every census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for change in population.

Your privacy
Your privacy is protected. It’s against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household. By law, the Census Bureau cannot share your answers with any other government agency.

The Census Bureau will not ask you for your bank account information or social security number. An enumerator will always identify themselves, be wearing a badge, and will never ask to enter your home.

How you can be involved
Be counted! 2020 will be easier than ever to participate in. In 2020, you will be able to respond to the census online, by paper questionnaire, by telephone or in person.

It takes lots of people to count the number of people living in our country. The Census Bureau needs your ideas on how to make sure everyone in our community gets counted.

In the November 2018 Statewide General Election, Santa Barbara County voters approved Measure G a. (County Code Section 2-10.9A) that establishes an 11-person Redistricting Commission to adjust the boundaries of the county supervisorial districts through an open and transparent process in accordance with federal and state criteria.

Individuals interested in serving as a member of the Independent Redistricting Commission will need to submit an application that will be available on approximately June 1, 2020 through the County Clerk of the Board, advertised in local print media and posted on the County’s website. Commissioner eligibility criteria are available at https://bit.ly/2NI8LlK.

The County Redistricting Commission must complete adoption of the redistricting plan within six months of receiving the final 2020 Census data, but not later than the requirements in the California Elections Code. It is estimated that the completion date will be August or September 2021.

In this year’s elections, some polling places will have translated sample ballots that voters can use as a reference when voting. The polling places that will have them are determined by the Secretary of State. To find out if your polling place will have a translated sample ballot, or to request to have one sent to you before Election Day, please visit our website or call our office. Requests must be received no later than 7 days before Election Day.

If you need assistance when voting, you may bring up to two people with you to your polling place, as long as they are not representatives of your employer or your union. Bring a family member or friend!

Remote Accessible Vote by Mail Voting

Our county is now offering a Remote Accessible Vote By Mail (RAVBM) System. This system will offer voters who are overseas, in the military, as well as voters with disabilities, the option to use a secure method to receive their ballot electronically. They will then mark, print and return their ballot to their elections official.

Voters with Disabilities

You can now vote a vote by mail ballot privately and independently. You must have access to a computer that has a printer attached. You will also need to apply to receive an electronic ballot. Once your application is processed, you will be emailed a link and login information. You will electronically sign a declaration attesting you are eligible to use the system and then the ballot will be downloaded to your computer. You will then mark your ballot electronically on your own computer, and can use assistance devices to enable selections on your computer.

Once you are done voting and have reviewed your choices, you will print the ballot with your choices on letter sized paper and then return your ballot by mail or in person to a polling place, ballot drop box or elections office.

To Apply For An Accessible Ballot:

- Complete the application on the back cover of this guide, check the box next to “I am a voter with a disability and request an accessible ballot” and provide your email address; or
- You can call our office at 1-800-SBC-VOTE or 1-800-722-8683.

NOTE: We cannot send your ballot electronically without your email address.

Military and Overseas Voters

You are eligible to use the RAVBM System to vote if you are one of the following:

- A U.S. citizen and a member of the Uniformed Services or Merchant Marine on active duty outside your county or your eligible spouse or dependent;
- A U.S. citizen and an activated National Guard member on State orders outside your county;
- A U.S. citizen residing outside the U.S. temporarily, indefinitely or having never resided in the U.S.

If you registered to vote online or on a Federal Post Card Application (FPCA) and you selected “Email or online” as your preference for receiving voting materials you will automatically be sent your ballot using this new Remote Accessible Vote By Mail System.

If you selected “Mail” or “Fax” for your voting material delivery preference, you will need to update your delivery preference to “Email or online”.

You can contact our office by email at votebymail2@co.santa-barbara.ca.us or call 1 (833) 412-0251 to check or update your voting material delivery preference.

How do I find my precinct board at the polling place?

On the back cover of this guide, locate the word “Table” and a letter such as “A”. At the polling place, there will be a sign posted near the precinct table with the precinct number and that letter matching your guide, which lets you know which table you should go to at your polling place.

What do I do once I am at my precinct table?

1. You will be asked to provide your name and address and if you will need any assistance.
2. You will then be asked to sign the Official Roster next to your printed name and address.
3. You will then be provided your ballot and a secrecy sleeve. Please make sure your ballot matches the Sample/Practice Ballot in this guide and follow the instructions on the ballot.
4. Vote your ballot at one of the voting booths and then take it to the clerk near the ballot box who will ask you to deposit your ballot in the ballot box.

What to do if...

You received a vote by mail ballot and want to vote at your polling place:

- Take your ballot and the return identification envelope you received with the ballot to the polling place and give it to the roster clerk; or
- If you do not have your ballot and return identification envelope to turn in to the roster clerk, you will be issued a provisional ballot which will be counted as long as you haven’t already voted in this election.

You changed your name and did not reregister:

1. Let the roster clerk know. They will give you a new voter registration card to complete.
2. You will need to sign your new and old name in the Official Roster.

You didn’t provide your California driver’s license number when you mailed in your voter registration and you are voting for the first time:

See page 9 of this guide for information on Requirements for First Time Voters.

Your name is not listed in the Official Roster, or you are listed at a different address:

- If there is more than one precinct at your polling place location, please ask the traffic clerk if you are at the correct precinct; or
- Contact the County Elections Office to make sure you are registered to vote and/or at the correct precinct table/polling place. The precinct board will have will have cards with our telephone number and our staff can direct you to the correct polling place location/precinct table for your address; or
- You can vote a provisional ballot at that precinct, or any precinct.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up two (2) people to assist you with marking your ballot.
- Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the roster clerk signing you in that you need assistance voting your ballot.
- You and your assistant(s) will be asked to complete the Assisted Voter section of the Official Roster.

Requirements for First Time Voters

Any person voting for the first time who registers by mail and does not provide their California driver’s license, California identification number or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or to provide a copy of that identification with their vote by mail ballot. There are 30 forms of identification that can be used for this purpose under the Help America Vote Act of 2002, including a government issued check or a utility bill that includes the person's name and address.

For a full list of the forms of identification that can be used, visit the Secretary of State’s website at: https://www.sos.ca.gov/elections/hava-id-standards/.

Forgot to register to vote or update your registration?

No problem! If you are not registered to vote or if you need to update your voter registration, you can register to vote and vote a ballot up to and including Election Day. This is known as conditional voter registration. Conditional voter registration can be done at the election office or at a polling place location in your County. If your residence address has changed and you did not update your registration with your new residence address, your polling place on the back cover of this guide might not be the correct polling place location for your new residence address. To find the correct polling place location for your address and make sure you receive a ballot containing all candidates and measures you are eligible to vote on, please call our office at 1-800-SBC-VOTE (1-800-722-8683) or use the polling place lookup on the Upcoming Elections page of our website at http://www.sbcvote.com.

If you do not confirm your polling place location, the ballot you will be given might not be the exact ballot that you are entitled to vote. It may have different candidates and ballot measures that you are not eligible to vote on. Once it is determined that you are eligible to register to vote, our office will count only the votes for the candidates and measures that you were entitled to vote on.
Santa Barbara County selects Dominion Voting Systems Democracy Suite® as Voting System for use in our County.

In 2019, Santa Barbara County selected Dominion Voting System’s Democracy Suite® as the system that best meets the current and future needs for the County for an integrated system to replace our aging voting system.

Will I still receive a paper ballot?
Yes, voters of Santa Barbara County will still receive a paper ballot at their polling place location and by mail. The ballot will look very similar to the ballot voters of our county are familiar with voting.

What benefits does this system provide over the county’s older voting system?
This system has been certified not only at the federal level, but also to the higher standard required by the California Voting System Standards. Best of all, it offers security and auditing features that exceeds our older system. Additionally, this system will save time and money by increasing the speed of ballot counting, integrating the layout, tabulation, accessible voting solution and other features into one system, where previously these were handled by multiple systems. Democracy Suite® is also being used in many other counties in California, including our neighboring counties of San Luis Obispo, Kern and Ventura.

What accessible voting system will be available at my polling location?
Dominion Voting System’s accessible voting system, the ImageCast® X (ICX), will be available at each polling place location and election offices in Santa Barbara County. The ICX is an in-person, fully accessible voting machine that will support current and future models of voting. The ICX allows voters to mark, review, and edit their voting selections by using a touchscreen or Audio Tactile Interface and generates a printed ballot with the voter’s selections once the voter casts their ballot.

New Remote Accessible Vote By Mail System available for Military/Overseas Voters and Voters with Disabilities
Starting with the March 3, 2020, Presidential Primary Election, the County will offer voters overseas, in the military, as well as voters with disabilities, the option to use a secure method to receive their ballot electronically and then mark, print and return their ballot in person or by mail to their election official.

For more information on this option, see page 4 of this guide.

No Postage Stamps Required
The California State Legislature passed a bill requiring counties to pay postage on all vote by mail ballots. You will no longer need to affix postage to your reply envelope when voting by mail.

Conditional Voter Registration at the Polls
Miss the registration deadline? You can still register to vote, change your name, address, or political party preference up to and including Election Day. For more information, see page 9 of this guide.

(For races that will be on your ballot)
STATEMENT OF CANDIDATE FOR
United States Representative in Congress,
24th District

SALUD CARBAJAL
Occupation: Member of Congress

Education and Qualifications: I’m Salud Carbajal, and I’ve worked hard to represent our Central Coast values as your representative in Congress.

As a husband, father, and Marine Corps veteran, I believe in the value of service and working hard to help our community. I attended UCSB while maintaining two jobs to become the first in my family to graduate from a university. My wife Gina and I have raised our family here.

I know the struggle of providing for a family and helping care for parents as they grew older. That’s why, in Congress, I’m fighting to make sure that everyone has opportunities; not just to get by, but to improve our quality of life.

In Congress, I’ve brought Republicans and Democrats together on issues that matter to the Central Coast, like creating jobs and making healthcare more affordable and accessible. I’ve brought forward bills to address climate change, ban offshore oil drilling, increase support for veterans, and promote commonsense gun safety measures. At the same time, I took action to help communities devastated by fires and mudslides, and to make our communities more resilient.

We are capable of so much when we work together. Pushing for bipartisanship has always been a guiding principal for me. I hope to continue serving you and working with you to address the challenges facing the Central Coast and our nation.

For more information, please visit SaludCarbajal.com. I would be honored to have your support.
Thank you.

Occupation: Government Watchdog

Education and Qualifications: If you are not happy with how our state and nation are being run, you are not alone! The good news? You have a choice to support a candidate who believes in the Constitution and has fought for change.

As a government watchdog and taxpayer advocate, I have spent 30 years building a non-partisan coalition of labor, agriculture and business working together to fight corruption and waste and to create more opportunity and higher wages for everyone.

We need change because partisan gridlock has crippled Congress while we suffer from water rationing, wildfires, power shutdowns, rising prescription and housing costs, crumbling infrastructure and a homeless crisis.

I never planned to run for office, but I can’t stand watching our country be torn apart by politicians dragging America into socialism. The last thing our children need is to inherit more debt and government control of their lives.

I have a record of getting things done! Let’s reduce healthcare and prescription prices, but not with “MediCare-for-All” that will bankrupt America while reducing quality and access. We will protect our environment, but not with the “Green New Deal” which will ruin our economy and pay people for doing nothing.

I’ll fight to protect our Constitution, our rights, and the values we share by promoting policies that make sense — common sense! I am running to serve and represent you, not to become another career partisan politician. Please vote for me. Join us at www.AndyCaldwell2020.com
STATEMENT OF CANDIDATE FOR
State Senator,
19th District

S. MONIQUE LIMÓN
Occupation: State Assemblymember

Education and Qualifications: I represent Santa Barbara and Ventura Counties in the State Assembly, and am a lifelong resident of the area. I have a proven record of working to improve our schools, protecting our environment, expanding job training, advancing women’s health care and protecting consumers.

My experience gives me a unique understanding of how state policies impact us locally. I’m a strong voice at the State Capitol for our local communities, helping shape outcomes for our local schools, environment, neighborhoods, and economy.

Our communities suffered destructive natural disasters, and I’ve worked to partner with state, federal, and local leaders to ensure that we have the ability to rebuild and recover. As the former Chair of the California State Assembly Select Committee on Natural Disaster Response, Recovery, and Rebuilding, I’ve fought to improve emergency communication, clean-up hazardous materials, and create a statewide taskforce on fire prevention. I’m proud to be supported by the California Professional Firefighters.

My work to protect our environment has earned me the support of the California League of Conservation Voters. I’ll continue to protect our coast and tackle the causes of climate change.

Access to healthcare continues to be a priority for our community and I’m working with a coalition to protect and improve it. I earned a 100% voting record with Health Access California, helped pass prescription drug pricing transparency, and wrote new laws providing emergency physicians with critical medical records and keeping the cost of cancer medication down.

I would be honored to have your vote.

STATEMENT OF CANDIDATE FOR
Member of the State Assembly,
37th District

CHARLES W. COLE
Occupation: Businessman/Media Consultant

Education and Qualifications: Why I am running for Assembly 37th District - It's Time For A Change!

I believe government is out of control, inefficient, and misdirected.

1) Public schools are teaching race hatred and division as a minor, with cultural marxism and anti-American studies as a standard curriculum.
2) Freeways take 25 years to be updated and are still gridlocked.
3) Government, which can barely run the Post Office, wants to attack and end private health care options, then force people to buy an inefficient government health care product.
4) At the same time welfare agencies dole out housing money to new arrivals, local citizens are living on the streets or driving 50 miles on crowded freeways to live and work.

My background in accounting, business, and statistics makes it clear these are serious economic and policy problems. Problems I believe can be solved with conservative business principles, and not with socialist, free everything policies.

Member of the State Assembly,
37th District

ELSJA GRANADOS
Occupation: Executive Director – Standing Together to End Sexual Assault

Education and Qualifications: I’m Elsa Granados, a bilingual social justice advocate who has dedicated my career to standing up for some of the most vulnerable members of our society. For more than two decades, I have been the executive director of a local nonprofit organization, Standing Together to End Sexual Assault, formerly known as Santa Barbara Rape Crisis Center. I have fought for the rights of migrant workers, incarcerated populations, and working-class families.

Now, I am ready to bring that same energy and my years of experience to stand up for constituents of the 37th Assembly District.

My background is a blend of formal education, community involvement, and civic engagement. Working in the nonprofit sector and on various boards has honed my administrative and management skills, given me a strong understanding of state and federal regulations, and prepared me to be fiscally responsible. I have conducted public policy at the local, state, and national levels.

As a child of immigrant parents, I saw firsthand both the struggles people face as well as how we can overcome them. I value the diversity in our community and will work hard to secure resources that are culturally and linguistically appropriate.

As your assembly member, I will work with government, nonprofit, and private entities to develop more affordable housing, create good-paying jobs, increase access to educational resources, focus on providing healthcare for all, and help preserve our environment for future generations to experience. I would be honored to have your vote.

Thank you,

Elsa Granados

STATEMENT OF CANDIDATE FOR
Member of the State Assembly,
37th District

JONATHAN ABBoud
Occupation: Community College Trustee/Special District Manager

Education and Qualifications: I grew up with immigrant parents in a working-class neighborhood with underfunded schools. This energized me politically to question why there was a ‘good’ and ‘bad’ school in the first place? Your zip code shouldn’t determine your future, I believe we prosper only when everyone prospers.

As your next State Assembly member, I will champion public education and fight for a government that puts people first, not corporations.

While the gap between the wealthy and everyone else widens, homelessness grows, and wildfires and power shutoffs threaten our communities, we must act now by:

- Making education a lifelong right: from universal pre-K to tuition-free public colleges.
- Building affordable housing: with public investments to keep them affordable.
- Fighting climate change: a green new deal, ending all new oil drilling permits, investing in clean renewable energy, public transportation, clean water systems, and good jobs.

Voters elected me twice to serve as a Santa Barbara Community College District Trustee to work locally and in Sacramento to fight for the values we share.

I have lived on the Central Coast my entire adult life. I attended UC Santa Barbara and was elected Student Body President, earning both a BA in Political Science and Master of Technology Management. I worked in Sacramento and in my community to create the Isla Vista Community Services District, where I serve as General Manager.

As your State Assembly member I will use my experience as an education policymaker, community organizer, and local government executive to involve all of us in accomplishing our agenda in Sacramento.

Vote Jonathan Abboud – State Assembly.

37th District

JASON DOMINGUEZ
Occupation: City Councilmember/Teacher

Education and Qualifications: You can trust me to put the community over special interests: I’ve served our community as a prosecutor, non-profit CEO, and now as a Councilmember and teacher. I’m honored to have the reputation as a hardworking, solution-oriented leader. I will fight for you when it comes to homelessness, public safety, affordable housing and local control to stop overdevelopment. I helped homeless individuals into housing as director of the Santa Barbara Legal Aid Foundation. As a member of the City of Santa Barbara Housing Task Force, I supported new initiatives for affordable housing. I introduced policies to stop overdevelopment as liaison to the City of Santa Barbara Planning Commission and will fight state-mandates.

Graduate: Stanford University & University of California at Berkeley. — Professor: The Santa Barbara & Ventura Colleges of Law. — CEO & Founder: The Justice Center non-profit. — Former Santa Barbara Deputy County Counsel, Los Angeles Deputy District Attorney and Deputy City Attorney. — Former war crimes prosecutor: United Nations.

— Other accomplishments: hiring chiefs for police and fire, returning a $3M budget surplus, and spearheading private-public housing partnerships. I advocated for community choice energy and creating high-paying jobs in sustainable energy; around 80 councils in California have adopted my resolution.

Endorsements — Mayors: City of Buellton Holly Sierra, City of Solvang Ryan Toussaint, — Councilmember, City of Santa Barbara, Meagan Harmon — Bob Handy, U.S. Navy veteran

I’d be honored by your vote.

STATEMENT OF CANDIDATE FOR
County Supervisor,
1st District

LAURA CAPPS
Occupation: School Board Member, Santa Barbara Unified School District
Education and Qualifications: We deserve a Supervisor who puts community interests ahead of special interests. Born and raised in Santa Barbara and a graduate of our public schools, I watched my parents, Lois and Walter Capps, get results by listening to everyone.

I worked in the Clinton White House and United States Senate. I am an independent voice on the Santa Barbara Unified School District Board where I have helped make our schools more safe, equitable and sustainable. Through No Kid Hungry, I’ve helped low-income children get free and healthy meals. I advocated for women as Chair of the Santa Barbara County Women’s Commission and on the Planned Parenthood Board. I’ve fought for our environment by leading the Community Environmental Council and Ocean Conservancy.

As a single mom, I am committed to the future of this County. As Supervisor, I will protect our climate and community, work to reduce poverty and homelessness, and be a champion for education. I am proud to have the support of Supervisors Susan Rose and Janet Wolf.

I’ll pass strong ethics rules and never be in the pocket of anyone – including the oil and cannabis industries. For the health of our kids, I will forge a balanced approach to cannabis.

As your Supervisor, I will work for you and listen to everyone. I respectfully ask for your vote.

County Supervisor,
1st District

DAS WILLIAMS Age: 45
Occupation: Santa Barbara County Supervisor
Education and Qualifications: I have represented our community for nearly 20 years as a Santa Barbara City Councilmember, State Legislator, and now as your County Supervisor.

A lot of politicians talk about solving problems but I have a concrete track record of results. As a public servant, I have:

- Providing strong leadership during the Thomas Fire and debris flow, including taking the lead in writing a new local ordinance that eliminates red tape, allowing homeowners to rebuild faster.
- Authored landmark legislation requiring half of our state's energy come from renewable sources and have been a fierce protector for the environment - holding oil companies accountable in the wake of the Refugio Spill.
- Stood up for survivors of sexual assault in the state legislature by authoring legislation to fund rape crisis centers and requiring college campuses to have stricter policies for holding students who commit sexual assault accountable.
- Turn around a $6 million County budget deficit to a surplus – investing more resources into public safety, public health, libraries, and proactive climate change solutions.

Please join our County Firefighters, Deputy Sheriffs, Sierra Club, and hundreds of community leaders in supporting my re-election as County Supervisor.

Census 2020: What you need to know

The 2020 Census is closer than you think! Here's a quick review of what it is and why it's important that everyone is counted.

What is it?
The census is a process of counting every person living in the United States. The first census took place in 1790. The U.S. Constitution mandates that everyone in the country be counted every 10 years.

What is it used for?
**Representation:** Every 10 years, the results of the census are used to determine how many seats each state gets in the House of Representatives. This determines how many electoral college votes each state has as well.

**Money:** The results of the census also help with deciding the distribution of more than $675 billion in federal funds and grants to be spent locally on schools, hospitals, roads, public works and other vital programs.

**Boundaries:** After every census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for change in population.

Your privacy
Your privacy is protected. It’s against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household. By law, the Census Bureau cannot share your answers with any other government agency.

The Census Bureau will not ask you for your bank account information or social security number. An enumerator will always identify themselves, be wearing a badge, and will never ask to enter your home.

How you can be involved
Be counted! 2020 will be easier than ever to participate in. In 2020, you will be able to respond to the census online, by paper questionnaire, by telephone or in person.

It takes lots of people to count the number of people living in our country. The Census Bureau needs your ideas on how to make sure everyone in our community gets counted.

In the November 2018 Statewide General Election, Santa Barbara County voters approved Measure G a. (County Code Section 2-10.9A) that establishes an 11-person Redistricting Commission to adjust the boundaries of the county supervisorial districts through an open and transparent process in accordance with federal and state criteria.

Individuals interested in serving as a member of the Independent Redistricting Commission will need to submit an application that will be available on approximately June 1, 2020 through the County Clerk of the Board, advertised in local print media and posted on the County’s website. Commissioner eligibility criteria are available at https://bit.ly/2NI8Lik.

The County Redistricting Commission must complete adoption of the redistricting plan within six months of receiving the final 2020 Census data, but not later than the requirements in the California Elections Code. It is estimated that the completion date will be August or September 2021.
