Primary Elections in California

At the March 5, 2024, Presidential Primary Election, voters choose the candidates who will run in the General Election in November. You may see **three different types of primary elections** on your ballot: **Presidential Primary (nominated by party), California Top-Two Primary (nominated by voters), and Local Nonpartisan Primary**. The way each primary works depends on the office.

Presidential Primary
Nominated by party

California Top-Two Primary
Nominated by voters

Local Nonpartisan Primary

Which offices are in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
• U.S. President During presidential primary elections, parties also nominate candidates for County Central Committees and County Councils.	• U.S. Senator • U.S. Representative • State Senator • State Assembly Member	• County Supervisor • Superior Court Judge
A candidate's political party **always** appears on the ballot.	A candidate's political party preference (or "None") **always** appears on the ballot.	A candidate's political party preference **never** appears on the ballot.

Who can vote in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
Only voters who are registered in the same political party as the candidate can vote for these offices. Some parties allow voters who registered with no party preference to vote in the Presidential primary.	**All voters** can vote for any candidate running for these offices.	**All voters** can vote for any candidate running for these offices.

What is the result of each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
The winner of each party's presidential primary will help select who will represent that political party in the General Election.	The top two candidates with the most votes move on to the General Election. They may have the same political party preference.	Candidates who receive at least 50% plus 1 vote are elected and are not on the General Election ballot. If no candidate wins by majority vote, the two candidates with the most votes move on to the General Election.

How to Vote for United States President in a Primary

Voting for U.S. President depends on the political party preference you are registered with.

I am registered with a qualified political party

If you are registered with one of the following qualified political parties in California, you may only vote for that party's presidential candidates:

- American Independent Party
- Democratic Party
- Green Party
- Libertarian Party
- Peace and Freedom Party
- Republican Party

If you want to vote for a presidential candidate from a party other than the one you are registered with, you must re-register to vote with that specific party. To change your registration, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

I am registered with No Party Preference or an unqualified/unknown political party

If you are registered with No Party Preference or an unqualified political party, your Vote by Mail ballot will not have presidential candidates on it. If you want to vote for U.S. president you may request a primary election ballot with presidential candidates from one of the following parties that are allowing cross-over voting in the presidential primary election:

- **American Independent Party**
- **Democratic Party**
- **Libertarian Party**

Voting by mail

In November 2023, voters registered with No Party Preference, an unqualified political party, or with an unknown political party preference were sent a card from the County Elections Division. On this card voters could request to receive a primary election ballot with either **American Independent Party, Democratic Party, or Libertarian Party** presidential candidates on it. If you completed and returned this card, the primary election ballot mailed to you will include the presidential candidates for the party you selected.

If you did not return or receive this postcard, or you would like to change your selection, visit our *Upcoming Elections & Events* webpage at **sbcvote.com** and complete the *No Party Preference Cross-Over Ballot Notice and Application* or contact the County Elections Division by email at **votebymail2@countyofsb.org** or call 1-800-SBC-VOTE (1-800-722-8683).

Voting in person at your polling place

Do not vote the ballot you receive by mail. When checking in at your polling place on Election Day, you may request a primary election ballot with presidential candidates from either the **American Independent Party, Democratic Party, or Libertarian Party.**

If you want to vote for a presidential candidate from the **Green Party, Peace and Freedom Party, or Republican Party**, you must register with that specific party. To re-register to vote, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

What do I do to vote at my Polling Place?

1. Take the Vote by Mail ballot you received in the mail to your polling place and give it to the Check-In Clerk.
2. Provide your name and address to the Check-In Clerk and let them know if you need assistance marking your ballot.
3. Verify your information and sign on the Electronic Poll Book Tablet.
4. Take your ballot ticket given to you by the Check-In Clerk to the Ballot Issue Clerk to get your ballot. Please make sure your ballot matches the Sample Ballot in this guide.
5. Vote your ballot at one of the voting booths.
6. Deposit your voted ballot into the ballot box.

What to do if…

You do not have your Vote by Mail ballot to turn in to the Check-In Clerk and want to vote at your polling place:

- If the Check-In Clerk can confirm that you have not already voted in the election, then you may be issued a poll ballot to vote. If the Check-In Clerk is unable to confirm that you have not already voted in the election, you will be issued a Provisional Ballot to vote. Your Provisional Ballot will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not re-register:

- Let the Check-In Clerk know. They will give you a new voter registration card to complete.
- You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:

- If you have a new address, the Check-In Clerk will give you a form to complete to update your address.
- If you are at the wrong polling place, you have the following options:
    - Go to your correct polling place; or
    - Vote using an ImageCast® X (ICX) ballot marking device for your precinct's ballot; or
    - Vote a Provisional Ballot from the available ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up to two (2) people to assist you with marking your ballot.
    - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. A poll worker is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

California law includes voluntary spending limits for candidates running for state offices who choose to keep their campaign expenses under specified dollar amounts. Candidates for state legislative offices who agree to the voluntary spending limit are able to purchase space for a candidate statement to be printed in this voter guide. Some candidates, however, chose not to buy space for a statement.

The following state legislative candidates have agreed to abide by the voluntary spending limits.

State Senator, District 21	Elijah Mack	No
State Senator, District 21	S. Monique Limón	Yes

The following pages may or may not represent a complete list of candidates. For a complete list of candidates on your ballot, please see the Sample Ballot pages of this guide.

STATEMENT OF CANDIDATE FOR
United States Representative
District 24

SALUD CARBAJAL **Age: 59**
Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm working to advance our Central Coast priorities in Congress.

I grew up on the Central Coast. My father worked as a farmworker in Ventura County. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served our country in the Marine Corps Reserves and Santa Barbara County as County Supervisor. My wife, Gina, and I raised our family here, and now are watching our grandchildren grow up here.

In Congress, I've focused on supporting hardworking families and growing the middle class. I helped pass landmark laws that are creating good-paying jobs, making overdue investments in our infrastructure and clean energy, and helping to lower costs of living – including health care, housing, and other everyday essentials.

I've also worked on legislation that protects our environment, addresses climate change, bans new offshore oil drilling off our coastline, increases support for veterans, and makes our communities safer by getting guns and drugs like fentanyl off our streets.

At a time when Washington dysfunction is at an all-time high, I've remained focused on finding common ground and working across the aisle on commonsense solutions, from tackling homelessness and the high cost of childcare to delivering disaster relief for communities impacted by natural disasters.

I would be honored to continue working for you in Congress.

STATEMENT OF CANDIDATE FOR
State Senator
District 21

S. MONIQUE LIMÓN
Occupation: California State Senator

Education and Qualifications: As a lifelong resident of Santa Barbara County, I'm honored to represent the Central Coast in the State Senate.

I have a proven record of working to improve our schools, protect our environment, expand job training, advance women's health care, protect consumers, combat the high cost of living, and bring resources to our area to prevent and fight wildfires. That's why I am proud to be supported by a broad range of community leaders including teachers, nurses, and firefighters.

Since being elected, I've worked to tackle climate change, protect consumer privacy, improve mental health care and long-term strategies to prevent homelessness, improve access to quality healthcare including aging and Alzheimer's, and help safeguard human trafficking survivors. Access to healthcare continues to be a priority for our community and I have worked with a coalition to protect and improve it. I earned a 100% voting record with Health Access California.

I've worked to protect our air, water and coastline, and earned a 100% rating from the Sierra Club and California Environmental Voters.

In response to the Supreme Court's overruling of Roe v. Wade, I co-authored Proposition 1, which passed overwhelmingly by the voters of California, to enshrine the right to choose for women in our State Constitution.

These challenging times require effective leadership and the integrity to stand up for the people of the Tri-Counties. I believe my record reflects both.

I would be honored to earn your vote for my re-election to the State Senate. Thank you for your consideration

IMPARTIAL ANALYSIS BY CITY ATTORNEY

MEASURE A2024

CITY OF SANTA BARBARA

Measure A2024 is a City Council proposal to amend City Charter Section 519 to modernize the City's public works contracting. If approved by a majority of the City's voters, Measure A2024 would amend the City Charter to allow the City Council to establish procedure for competitive contracting for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities in any manner available to other charter cities in California within the full scope of its "Home Rule" authority under the Constitution and laws of California.

The City Charter currently limits the City to a single contracting method for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities. The Charter currently requires construction contracts to be awarded to the lowest responsible, responsive bidder after a notice published in a newspaper of general circulation. There are limited exceptions for maintenance and repair and emergency work contracts. The current Charter authorizes the City Council to establish alternate contracting methods for water system projects. Measure A2024 would instead allow the City Council to establish alternate methods of competition for public works contracts for all types of public works projects.

Measure A2024 will amend Charter Section 519 to read: "The City Council, by ordinance, shall establish procedures for competitive procurement of contracts for public works and improvements not otherwise prohibited by law. The City may also procure contracts for public works and improvements by any procedure authorized by state statute." It will also allow the City to contract for public works under any procedure authorized by state statute. Measure A2024 was placed on the ballot by the City Council upon recommendation of the Public Works Director.

A "yes" vote is a vote to approve the proposed Charter amendment.

A "no" vote is a vote not to approve the proposed Charter amendment.

Sarah J. Knecht
City Attorney
City of Santa Barbara

ARGUMENT IN FAVOR OF
MEASURE A2024
CITY OF SANTA BARBARA

I encourage all Santa Barbara residents to support this ballot measure to modernize Public Works contracting. It provides the City Council with the authority to enable multiple contracting methods that are allowed by California State Law. The end goal is the ability to deliver competitively priced, high quality, and on-time capital (*construction*) projects.

The City Charter adopted in 1967 requires all public works contracts, with few exceptions, to be awarded by low bid contracting. Public agency contracting methods have substantially evolved since the original Charter adoption. The proposed Charter amendment will modernize the City's contracting methods to current standards by permitting City Council to expand the current low bid contracting with such options as: best value, design/build, construction manager at risk (CMAR) and simplified procurement for smaller contracts (<$500,000). This change is important for large, complex projects (such as the new Police Station) or specialty work to ensure interest from top-tier, more experienced contractors who often will not participate in projects where contracts are awarded by low bid. These alternative contracting methods also allow staff to prioritize contractor qualifications, such as: experience, work type specialties, and prior performance in terms of quality, timeliness, and safety record. Ultimately, the City wants to establish professional relationships with our contracting community who are instrumental in the City's maintenance, repair, and rebuilding of its infrastructure; where contractors are awarded projects at a fair, competitive price and the City receives an end product that the City's residents can be proud of and that will serve the community well for generations to come.

The undersigned proponent(s) or author(s) of the primary argument in favor of Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

ARGUMENT AGAINST
MEASURE A2024
CITY OF SANTA BARBARA

VOTE NO ON MEASURE A - 2024!!

Although this measure is cloaked in the language of giving the City more authority over contracting for public works construction projects, it would do anything but. It would harm local, Santa Barbara contractors who employ local residents, and it would reward out-of-town contractors who employ workers from outside of the area. It would, over time, cost the City of Santa Barbara tens of millions of dollars in higher construction costs that could instead be spent on construction, maintenance, and improvement of local public roads and facilities, while taking jobs away from local Santa Barbarans. By resulting in more construction workers driving from out-of-town to Santa Barbara on a daily basis, it would increase traffic congestion and harm the environment.

NO ONE CONCERNED ABOUT CITY FINANCES, LOCAL WORKERS, OR THE ENVIRONMENT SHOULD SUPPORT MEASURE A - 2024!!

The City Charter currently requires that there be a fair bidding process for City construction projects from which the lowest, responsible bidder is selected. The purpose of the proposed Charter amendment is to eliminate the requirement for a fair bidding process with the lowest bidder receiving the contract. Many local contractors--employing local employees--would no longer be able to bid on City projects while the cost of City projects would increase.

MEASURE A - 2024 BENEFITS NO ONE EXCEPT POLITICALLY CONNECTED, OUT-OF-AREA CONTRACATORS!

Sometimes, the most important things that happen in local government go unreported. Millions of dollars that could go to repairing streets, sidewalks, parks, and public safety facilities will instead go to benefiting big out-of-area construction companies that make big contributions to local politicians.

VOTE AGAINST THE CITY OF SANTA BARBARA CONSTRUCTION-POLITICAL COMPLEX!

VOTE NO ON MEASURE A - 2024!

The undersigned proponent(s) or author(s) of the primary argument against Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

Primary Elections in California

At the March 5, 2024, Presidential Primary Election, voters choose the candidates who will run in the General Election in November. You may see **three different types of primary elections** on your ballot: **Presidential Primary (nominated by party), California Top-Two Primary (nominated by voters), and Local Nonpartisan Primary**. The way each primary works depends on the office.

Presidential Primary
Nominated by party

California Top-Two Primary
Nominated by voters

Local Nonpartisan Primary

Which offices are in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
• U.S. President During presidential primary elections, parties also nominate candidates for County Central Committees and County Councils.	• U.S. Senator • U.S. Representative • State Senator • State Assembly Member	• County Supervisor • Superior Court Judge
A candidate's political party **always** appears on the ballot.	A candidate's political party preference (or "None") **always** appears on the ballot.	A candidate's political party preference **never** appears on the ballot.

Who can vote in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
Only voters who are registered in the same political party as the candidate can vote for these offices. Some parties allow voters who registered with no party preference to vote in the Presidential primary.	**All voters** can vote for any candidate running for these offices.	**All voters** can vote for any candidate running for these offices.

What is the result of each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
The winner of each party's presidential primary will help select who will represent that political party in the General Election.	The top two candidates with the most votes move on to the General Election. They may have the same political party preference.	Candidates who receive at least 50% plus 1 vote are elected and are not on the General Election ballot. If no candidate wins by majority vote, the two candidates with the most votes move on to the General Election.

For more information on primary elections in California visit the Secretary of State's website at: **sos.ca.gov/elections/primary-elections-california**

How to Vote for United States President in a Primary

Voting for U.S. President depends on the political party preference you are registered with.

I am registered with a qualified political party

If you are registered with one of the following qualified political parties in California, you may only vote for that party's presidential candidates:

- American Independent Party
- Democratic Party
- Green Party
- Libertarian Party
- Peace and Freedom Party
- Republican Party

If you want to vote for a presidential candidate from a party other than the one you are registered with, you must re-register to vote with that specific party. To change your registration, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

I am registered with No Party Preference or an unqualified/unknown political party

If you are registered with No Party Preference or an unqualified political party, your Vote by Mail ballot will not have presidential candidates on it. If you want to vote for U.S. president you may request a primary election ballot with presidential candidates from one of the following parties that are allowing cross-over voting in the presidential primary election:

- **American Independent Party**
- **Democratic Party**
- **Libertarian Party**

Voting by mail

In November 2023, voters registered with No Party Preference, an unqualified political party, or with an unknown political party preference were sent a card from the County Elections Division. On this card voters could request to receive a primary election ballot with either **American Independent Party, Democratic Party, or Libertarian Party** presidential candidates on it. If you completed and returned this card, the primary election ballot mailed to you will include the presidential candidates for the party you selected.

If you did not return or receive this postcard, or you would like to change your selection, visit our *Upcoming Elections & Events* webpage at **sbcvote.com** and complete the *No Party Preference Cross-Over Ballot Notice and Application* or contact the County Elections Division by email at **votebymail2@countyofsb.org** or call 1-800-SBC-VOTE (1-800-722-8683).

Voting in person at your polling place

Do not vote the ballot you receive by mail. When checking in at your polling place on Election Day, you may request a primary election ballot with presidential candidates from either the **American Independent Party, Democratic Party, or Libertarian Party.**

If you want to vote for a presidential candidate from the **Green Party, Peace and Freedom Party, or Republican Party**, you must register with that specific party. To re-register to vote, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

To check your voter registration status, visit **voterstatus.sos.ca.gov**

How to Vote at the Polls

Find your polling place on the back cover of this guide, visit our *Upcoming Elections & Events* webpage at **sbcvote.com** or call the County of Santa Barbara Elections Division at 1-800-SBC-VOTE (1-800-722-8683).

Look near the wheelchair symbol on the back cover of your guide to determine if your polling place is accessible to voters with specific needs. Curbside voting is also available at all County Elections Division offices and polling places.

What do I do to vote at my Polling Place?

1. Take the Vote by Mail ballot you received in the mail to your polling place and give it to the Check-In Clerk.
2. Provide your name and address to the Check-In Clerk and let them know if you need assistance marking your ballot.
3. Verify your information and sign on the Electronic Poll Book Tablet.
4. Take your ballot ticket given to you by the Check-In Clerk to the Ballot Issue Clerk to get your ballot. Please make sure your ballot matches the Sample Ballot in this guide.
5. Vote your ballot at one of the voting booths.
6. Deposit your voted ballot into the ballot box.

What to do if…

You do not have your Vote by Mail ballot to turn in to the Check-In Clerk and want to vote at your polling place:

- If the Check-In Clerk can confirm that you have not already voted in the election, then you may be issued a poll ballot to vote. If the Check-In Clerk is unable to confirm that you have not already voted in the election, you will be issued a Provisional Ballot to vote. Your Provisional Ballot will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not re-register:

- Let the Check-In Clerk know. They will give you a new voter registration card to complete.
- You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:

- If you have a new address, the Check-In Clerk will give you a form to complete to update your address.
- If you are at the wrong polling place, you have the following options:
    - Go to your correct polling place; or
    - Vote using an ImageCast® X (ICX) ballot marking device for your precinct's ballot; or
    - Vote a Provisional Ballot from the available ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up to two (2) people to assist you with marking your ballot.
    - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. A poll worker is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

Conditional Voter Registration
Voters who miss the deadline to register or re-register to vote may visit one of the County Elections Division offices between February 21, 2024, and March 5, 2024, or go to their polling place on Election Day to "conditionally" register and vote.

If visiting a polling place on Election Day, use the polling place look up tool at **sbcvote.com** or call 1-800-SBC-VOTE (1-800-722-8683) to locate your polling place.

Requirements for First Time Federal Voters
Any person voting for the first time who registers by mail and does not provide their California driver's license, California identification number, or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or must provide a copy of that identification with their Vote by Mail ballot. Failure of a First Time Federal Voter to provide identification when voting, may result in their ballot not being counted. There are 30 forms of identification that can be used for this purpose under the Help America Vote Act of 2002, including a government issued check or a utility bill that includes the person's name and address.

For a full list of the forms of identification that can be used, visit the Secretary of State's website at: **sos.ca.gov/elections/hava-id-standards**

Language Assistance

In this year's elections, some polling places will have translated sample ballots that voters can use as a reference when voting. The polling places that will have them are determined by the Secretary of State. To find out if your polling place will have a translated sample ballot, or to request to have one sent to you before Election Day, please visit our website or call our office. Requests must be received no later than 7 days before Election Day.

If you need assistance when voting, you may bring up to two people with you to your polling place, as long as they are not representatives of your employer or your union. Bring a family member or friend!

STATEMENT OF CANDIDATE FOR
United States Representative
District 24

SALUD CARBAJAL **Age: 59**
Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm working to advance our Central Coast priorities in Congress.

I grew up on the Central Coast. My father worked as a farmworker in Ventura County. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served our country in the Marine Corps Reserves and Santa Barbara County as County Supervisor. My wife, Gina, and I raised our family here, and now are watching our grandchildren grow up here.

In Congress, I've focused on supporting hardworking families and growing the middle class. I helped pass landmark laws that are creating good-paying jobs, making overdue investments in our infrastructure and clean energy, and helping to lower costs of living – including health care, housing, and other everyday essentials.

I've also worked on legislation that protects our environment, addresses climate change, bans new offshore oil drilling off our coastline, increases support for veterans, and makes our communities safer by getting guns and drugs like fentanyl off our streets.

At a time when Washington dysfunction is at an all-time high, I've remained focused on finding common ground and working across the aisle on commonsense solutions, from tackling homelessness and the high cost of childcare to delivering disaster relief for communities impacted by natural disasters.

I would be honored to continue working for you in Congress.

For more information, visit SaludCarbajal.com.

I kindly ask for your vote. Thank you.

STATEMENT OF CANDIDATE FOR
State Senator
District 21

S. MONIQUE LIMÓN
Occupation: California State Senator

Education and Qualifications: As a lifelong resident of Santa Barbara County, I'm honored to represent the Central Coast in the State Senate.

I have a proven record of working to improve our schools, protect our environment, expand job training, advance women's health care, protect consumers, combat the high cost of living, and bring resources to our area to prevent and fight wildfires. That's why I am proud to be supported by a broad range of community leaders including teachers, nurses, and firefighters.

Since being elected, I've worked to tackle climate change, protect consumer privacy, improve mental health care and long-term strategies to prevent homelessness, improve access to quality healthcare including aging and Alzheimer's, and help safeguard human trafficking survivors. Access to healthcare continues to be a priority for our community and I have worked with a coalition to protect and improve it. I earned a 100% voting record with Health Access California.

I've worked to protect our air, water and coastline, and earned a 100% rating from the Sierra Club and California Environmental Voters.

In response to the Supreme Court's overruling of Roe v. Wade, I co-authored Proposition 1, which passed overwhelmingly by the voters of California, to enshrine the right to choose for women in our State Constitution.

These challenging times require effective leadership and the integrity to stand up for the people of the Tri-Counties. I believe my record reflects both.

I would be honored to earn your vote for my re-election to the State Senate. Thank you for your consideration

STATEMENT OF CANDIDATE FOR
County Supervisor
1st District

ROY LEE **Age: 41**

Occupation: Carpinteria City Council Member/Small Business Owner

Education and Qualifications: As a committed City Council Member and active community member, I am running for District 1 Supervisor to champion meaningful change. My aim is to ensure our government is truly people-centric.

A Dos Pueblos High School and UCSB alumnus, I'm a father, husband, and small business owner. These roles have given me a deep understanding of the challenges faced by our community. My drive is to enhance the lives of all residents in our district.

My focus as your Supervisor will be:

1. Sustainable Development and Infrastructure: I advocate for environmentally respectful housing that aligns with our community's needs, safeguarding our neighborhood character. This includes investing in modern infrastructure, affordable housing, preserving open spaces, and opposing over-development.
2. Transparent and Accountable Government: I envision a government that actively listens, operates openly, and places public interest above special interests.
3. Community Safety and Preparedness: Understanding our region's vulnerability to natural disasters, I am dedicated to strengthening our resilience against wildfires, floods, and debris flows.

I am not a career politician. I am a community member who will serve you, not the special interests and political donors. With your support, we can build a brighter future. Vote Roy Lee for District 1 Supervisor - a voice for the people.

DAS WILLIAMS **Age: 49**

Occupation: Santa Barbara County Supervisor

Education and Qualifications: I grew up in Santa Barbara County, attended local schools, and have been honored to represent our community for over 20 years as a Santa Barbara City Councilmember, State Legislator, and now as County Supervisor.

A lot of politicians talk about solving problems, but I have a proven track record of delivering results. As your representative, I have:

- Prepared us for natural disasters, improving emergency response times and securing an unprecedented commitment to flood control projects and fire safety measures.

- Authored landmark laws requiring half of California's electricity come from renewable sources, pursuing even more aggressive goals locally, and been a fierce protector of our environment - holding oil companies accountable in the wake of the Refugio Oil Spill.

- Reduced veteran homelessness by 60% in three years by creating more housing and shelters, and expanding mental health services.

- Turned around a $6 million County Budget deficit into a surplus - investing more resources into public safety, homelessness, libraries, and parks and trails.

Please join our County Firefighters, the Central Coast Labor Council, and the many other community leaders in supporting my re-election as County Supervisor.

IMPARTIAL ANALYSIS BY CITY ATTORNEY

MEASURE A2024

CITY OF SANTA BARBARA

Measure A2024 is a City Council proposal to amend City Charter Section 519 to modernize the City's public works contracting. If approved by a majority of the City's voters, Measure A2024 would amend the City Charter to allow the City Council to establish procedure for competitive contracting for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities in any manner available to other charter cities in California within the full scope of its "Home Rule" authority under the Constitution and laws of California.

The City Charter currently limits the City to a single contracting method for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities. The Charter currently requires construction contracts to be awarded to the lowest responsible, responsive bidder after a notice published in a newspaper of general circulation. There are limited exceptions for maintenance and repair and emergency work contracts. The current Charter authorizes the City Council to establish alternate contracting methods for water system projects. Measure A2024 would instead allow the City Council to establish alternate methods of competition for public works contracts for all types of public works projects.

Measure A2024 will amend Charter Section 519 to read: "The City Council, by ordinance, shall establish procedures for competitive procurement of contracts for public works and improvements not otherwise prohibited by law. The City may also procure contracts for public works and improvements by any procedure authorized by state statute." It will also allow the City to contract for public works under any procedure authorized by state statute. Measure A2024 was placed on the ballot by the City Council upon recommendation of the Public Works Director.

A "yes" vote is a vote to approve the proposed Charter amendment.

A "no" vote is a vote not to approve the proposed Charter amendment.

Sarah J. Knecht
City Attorney
City of Santa Barbara

ARGUMENT IN FAVOR OF
MEASURE A2024
CITY OF SANTA BARBARA

I encourage all Santa Barbara residents to support this ballot measure to modernize Public Works contracting. It provides the City Council with the authority to enable multiple contracting methods that are allowed by California State Law. The end goal is the ability to deliver competitively priced, high quality, and on-time capital (*construction*) projects.

The City Charter adopted in 1967 requires all public works contracts, with few exceptions, to be awarded by low bid contracting. Public agency contracting methods have substantially evolved since the original Charter adoption. The proposed Charter amendment will modernize the City's contracting methods to current standards by permitting City Council to expand the current low bid contracting with such options as: best value, design/build, construction manager at risk (CMAR) and simplified procurement for smaller contracts (<$500,000). This change is important for large, complex projects (such as the new Police Station) or specialty work to ensure interest from top-tier, more experienced contractors who often will not participate in projects where contracts are awarded by low bid. These alternative contracting methods also allow staff to prioritize contractor qualifications, such as: experience, work type specialties, and prior performance in terms of quality, timeliness, and safety record. Ultimately, the City wants to establish professional relationships with our contracting community who are instrumental in the City's maintenance, repair, and rebuilding of its infrastructure; where contractors are awarded projects at a fair, competitive price and the City receives an end product that the City's residents can be proud of and that will serve the community well for generations to come.

The undersigned proponent(s) or author(s) of the primary argument in favor of Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

ARGUMENT AGAINST
MEASURE A2024
CITY OF SANTA BARBARA

VOTE NO ON MEASURE A - 2024!!

Although this measure is cloaked in the language of giving the City more authority over contracting for public works construction projects, it would do anything but. It would harm local, Santa Barbara contractors who employ local residents, and it would reward out-of-town contractors who employ workers from outside of the area. It would, over time, cost the City of Santa Barbara tens of millions of dollars in higher construction costs that could instead be spent on construction, maintenance, and improvement of local public roads and facilities, while taking jobs away from local Santa Barbarans. By resulting in more construction workers driving from out-of-town to Santa Barbara on a daily basis, it would increase traffic congestion and harm the environment.

NO ONE CONCERNED ABOUT CITY FINANCES, LOCAL WORKERS, OR THE ENVIRONMENT SHOULD SUPPORT MEASURE A - 2024!!

The City Charter currently requires that there be a fair bidding process for City construction projects from which the lowest, responsible bidder is selected. The purpose of the proposed Charter amendment is to eliminate the requirement for a fair bidding process with the lowest bidder receiving the contract. Many local contractors--employing local employees--would no longer be able to bid on City projects while the cost of City projects would increase.

MEASURE A - 2024 BENEFITS NO ONE EXCEPT POLITICALLY CONNECTED, OUT-OF-AREA CONTRACATORS!

Sometimes, the most important things that happen in local government go unreported. Millions of dollars that could go to repairing streets, sidewalks, parks, and public safety facilities will instead go to benefiting big out-of-area construction companies that make big contributions to local politicians.

VOTE AGAINST THE CITY OF SANTA BARBARA CONSTRUCTION-POLITICAL COMPLEX!

VOTE NO ON MEASURE A - 2024!

The undersigned proponent(s) or author(s) of the primary argument against Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

COUNTY OF SANTA BARBARA

THIS IS HOW SANTA BARBARA COUNTY STAYS OFFICIALLY INFORMED IN AN EMERGENCY

The County's emergency notification system is designed to provide official information and warnings before, during and after emergencies. This is vital in helping residents make important safety decisions, such as evacuation.

ReadySBC Alerts:

This is the County's central alerting tool. It sends warnings and information to residents through text message, email, cellular phone (voice), landline, and TTY/TTD.

How do I get this? In order to receive these official messages from the County, you must sign up for alerts. Go to **www.ReadySBC.org.** To confirm you are signed up, click the red "Register for Alerts" button, then follow the prompts to log in. Once you are in the system, verify that your info is correct and you have at least one address listed and one way for the County to reach you (text, email, cell, landline).

Scan the QR Code to register for ReadySBC Alerts

Nixle:

This alerting tool delivers emergency alerts and information through a short text message and it's completely anonymous!

How do I get this? Text your zip code to 888777 and you are done! You can also receive Nixle text alerts in Spanish. More info is available at **www.Nixle.com**

Emergency Alert System (EAS):

EAS messages are transmitted via radio and television by participating local broadcasters, cable, and satellite providers and contain an audio message and a scrolling text.

How do I get this? You do not have to sign up for these types of alerts but you do have to be tuning into a local TV, radio, or cable/satellite station.

Wireless Emergency Alerts (WEA):

WEA is a public safety alerting tool that allows customers who own certain wireless phones and other enabled mobile devices to receive geographically- targeted, text-like messages alerting them of imminent threats to safety in their area.

How do I get this? You do not need to sign up to receive a WEA, but wireless companies volunteer to participate in the system, so check with your cell phone company to find out if they participate.

Primary Elections in California

At the March 5, 2024, Presidential Primary Election, voters choose the candidates who will run in the General Election in November. You may see **three different types of primary elections** on your ballot: **Presidential Primary (nominated by party), California Top-Two Primary (nominated by voters), and Local Nonpartisan Primary**. The way each primary works depends on the office.

Presidential Primary
Nominated by party

California Top-Two Primary
Nominated by voters

Local Nonpartisan Primary

Which offices are in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
• U.S. President During presidential primary elections, parties also nominate candidates for County Central Committees and County Councils.	• U.S. Senator • U.S. Representative • State Senator • State Assembly Member	• County Supervisor • Superior Court Judge
A candidate's political party **always** appears on the ballot.	A candidate's political party preference (or "None") **always** appears on the ballot.	A candidate's political party preference **never** appears on the ballot.

Who can vote in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
Only voters who are registered in the same political party as the candidate can vote for these offices. Some parties allow voters who registered with no party preference to vote in the Presidential primary.	**All voters** can vote for any candidate running for these offices.	**All voters** can vote for any candidate running for these offices.

What is the result of each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
The winner of each party's presidential primary will help select who will represent that political party in the General Election.	The top two candidates with the most votes move on to the General Election. They may have the same political party preference.	Candidates who receive at least 50% plus 1 vote are elected and are not on the General Election ballot. If no candidate wins by majority vote, the two candidates with the most votes move on to the General Election.

How to Vote for United States President in a Primary

Voting for U.S. President depends on the political party preference you are registered with.

I am registered with a qualified political party

If you are registered with one of the following qualified political parties in California, you may only vote for that party's presidential candidates:

- American Independent Party
- Democratic Party
- Green Party
- Libertarian Party
- Peace and Freedom Party
- Republican Party

If you want to vote for a presidential candidate from a party other than the one you are registered with, you must re-register to vote with that specific party. To change your registration, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

I am registered with No Party Preference or an unqualified/unknown political party

If you are registered with No Party Preference or an unqualified political party, your Vote by Mail ballot will not have presidential candidates on it. If you want to vote for U.S. president you may request a primary election ballot with presidential candidates from one of the following parties that are allowing cross-over voting in the presidential primary election:

- **American Independent Party**
- **Democratic Party**
- **Libertarian Party**

Voting by mail

In November 2023, voters registered with No Party Preference, an unqualified political party, or with an unknown political party preference were sent a card from the County Elections Division. On this card voters could request to receive a primary election ballot with either **American Independent Party, Democratic Party, or Libertarian Party** presidential candidates on it. If you completed and returned this card, the primary election ballot mailed to you will include the presidential candidates for the party you selected.

If you did not return or receive this postcard, or you would like to change your selection, visit our *Upcoming Elections & Events* webpage at **sbcvote.com** and complete the *No Party Preference Cross-Over Ballot Notice and Application* or contact the County Elections Division by email at **votebymail2@countyofsb.org** or call 1-800-SBC-VOTE (1-800-722-8683).

Voting in person at your polling place

Do not vote the ballot you receive by mail. When checking in at your polling place on Election Day, you may request a primary election ballot with presidential candidates from either the **American Independent Party, Democratic Party, or Libertarian Party.**

If you want to vote for a presidential candidate from the **Green Party, Peace and Freedom Party, or Republican Party**, you must register with that specific party. To re-register to vote, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

To check your voter registration status, visit **voterstatus.sos.ca.gov**

Look near the wheelchair symbol on the back cover of your guide to determine if your polling place is accessible to voters with specific needs. Curbside voting is also available at all County Elections Division offices and polling places.

What do I do to vote at my Polling Place?

1. Take the Vote by Mail ballot you received in the mail to your polling place and give it to the Check-In Clerk.
2. Provide your name and address to the Check-In Clerk and let them know if you need assistance marking your ballot.
3. Verify your information and sign on the Electronic Poll Book Tablet.
4. Take your ballot ticket given to you by the Check-In Clerk to the Ballot Issue Clerk to get your ballot. Please make sure your ballot matches the Sample Ballot in this guide.
5. Vote your ballot at one of the voting booths.
6. Deposit your voted ballot into the ballot box.

What to do if…

You do not have your Vote by Mail ballot to turn in to the Check-In Clerk and want to vote at your polling place:

- If the Check-In Clerk can confirm that you have not already voted in the election, then you may be issued a poll ballot to vote. If the Check-In Clerk is unable to confirm that you have not already voted in the election, you will be issued a Provisional Ballot to vote. Your Provisional Ballot will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not re-register:

- Let the Check-In Clerk know. They will give you a new voter registration card to complete.
- You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:

- If you have a new address, the Check-In Clerk will give you a form to complete to update your address.
- If you are at the wrong polling place, you have the following options:
    - Go to your correct polling place; or
    - Vote using an ImageCast® X (ICX) ballot marking device for your precinct's ballot; or
    - Vote a Provisional Ballot from the available ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up to two (2) people to assist you with marking your ballot.
    - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. A poll worker is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

STATEMENT OF CANDIDATE FOR
United States Representative
District 24

SALUD CARBAJAL **Age: 59**
Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm working to advance our Central Coast priorities in Congress.

I grew up on the Central Coast. My father worked as a farmworker in Ventura County. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served our country in the Marine Corps Reserves and Santa Barbara County as County Supervisor. My wife, Gina, and I raised our family here, and now are watching our grandchildren grow up here.

In Congress, I've focused on supporting hardworking families and growing the middle class. I helped pass landmark laws that are creating good-paying jobs, making overdue investments in our infrastructure and clean energy, and helping to lower costs of living – including health care, housing, and other everyday essentials.

I've also worked on legislation that protects our environment, addresses climate change, bans new offshore oil drilling off our coastline, increases support for veterans, and makes our communities safer by getting guns and drugs like fentanyl off our streets.

At a time when Washington dysfunction is at an all-time high, I've remained focused on finding common ground and working across the aisle on commonsense solutions, from tackling homelessness and the high cost of childcare to delivering disaster relief for communities impacted by natural disasters.

I would be honored to continue working for you in Congress.

For more information, visit SaludCarbajal.com.

I kindly ask for your vote. Thank you.

STATEMENT OF CANDIDATE FOR
State Senator
District 21

S. MONIQUE LIMÓN
Occupation: California State Senator

Education and Qualifications: As a lifelong resident of Santa Barbara County, I'm honored to represent the Central Coast in the State Senate.

I have a proven record of working to improve our schools, protect our environment, expand job training, advance women's health care, protect consumers, combat the high cost of living, and bring resources to our area to prevent and fight wildfires. That's why I am proud to be supported by a broad range of community leaders including teachers, nurses, and firefighters.

Since being elected, I've worked to tackle climate change, protect consumer privacy, improve mental health care and long-term strategies to prevent homelessness, improve access to quality healthcare including aging and Alzheimer's, and help safeguard human trafficking survivors. Access to healthcare continues to be a priority for our community and I have worked with a coalition to protect and improve it. I earned a 100% voting record with Health Access California.

I've worked to protect our air, water and coastline, and earned a 100% rating from the Sierra Club and California Environmental Voters.

In response to the Supreme Court's overruling of Roe v. Wade, I co-authored Proposition 1, which passed overwhelmingly by the voters of California, to enshrine the right to choose for women in our State Constitution.

These challenging times require effective leadership and the integrity to stand up for the people of the Tri-Counties. I believe my record reflects both.

I would be honored to earn your vote for my re-election to the State Senate. Thank you for your consideration

A Dos Pueblos High School and UCSB alumnus, I'm a father, husband, and small business owner. These roles have given me a deep understanding of the challenges faced by our community. My drive is to enhance the lives of all residents in our district.

My focus as your Supervisor will be:

1. Sustainable Development and Infrastructure: I advocate for environmentally respectful housing that aligns with our community's needs, safeguarding our neighborhood character. Occupation: Santa Barbara County Supervisor

Education and Qualifications: I grew up in Santa Barbara County, attended local schools, and have been honored to represent our community for over 20 years as a Santa Barbara City Councilmember, State Legislator, and now as County Supervisor.

A lot of politicians talk about solving problems, but I have a proven track record of delivering results. As your representative, I have:

- Prepared us for natural disasters, improving emergency response times and securing an unprecedented commitment to flood control projects and fire safety measures.

- Authored landmark laws requiring half of California's electricity come from renewable sources, pursuing even more aggressive goals locally, and been a fierce protector of our environment - holding oil companies accountable in the wake of the Refugio Oil Spill.

IMPARTIAL ANALYSIS BY CITY ATTORNEY

MEASURE A2024

CITY OF SANTA BARBARA

Measure A2024 is a City Council proposal to amend City Charter Section 519 to modernize the City's public works contracting. If approved by a majority of the City's voters, Measure A2024 would amend the City Charter to allow the City Council to establish procedure for competitive contracting for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities in any manner available to other charter cities in California within the full scope of its "Home Rule" authority under the Constitution and laws of California.

The City Charter currently limits the City to a single contracting method for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities. The Charter currently requires construction contracts to be awarded to the lowest responsible, responsive bidder after a notice published in a newspaper of general circulation. There are limited exceptions for maintenance and repair and emergency work contracts. The current Charter authorizes the City Council to establish alternate contracting methods for water system projects. Measure A2024 would instead allow the City Council to establish alternate methods of competition for public works contracts for all types of public works projects.

Measure A2024 will amend Charter Section 519 to read: "The City Council, by ordinance, shall establish procedures for competitive procurement of contracts for public works and improvements not otherwise prohibited by law. The City may also procure contracts for public works and improvements by any procedure authorized by state statute." It will also allow the City to contract for public works under any procedure authorized by state statute. Measure A2024 was placed on the ballot by the City Council upon recommendation of the Public Works Director.

A "yes" vote is a vote to approve the proposed Charter amendment.

A "no" vote is a vote not to approve the proposed Charter amendment.

Sarah J. Knecht
City Attorney
City of Santa Barbara

ARGUMENT IN FAVOR OF
MEASURE A2024
CITY OF SANTA BARBARA

I encourage all Santa Barbara residents to support this ballot measure to modernize Public Works contracting. It provides the City Council with the authority to enable multiple contracting methods that are allowed by California State Law. The end goal is the ability to deliver competitively priced, high quality, and on-time capital (*construction*) projects.

The City Charter adopted in 1967 requires all public works contracts, with few exceptions, to be awarded by low bid contracting. Public agency contracting methods have substantially evolved since the original Charter adoption. The proposed Charter amendment will modernize the City's contracting methods to current standards by permitting City Council to expand the current low bid contracting with such options as: best value, design/build, construction manager at risk (CMAR) and simplified procurement for smaller contracts (<$500,000). This change is important for large, complex projects (such as the new Police Station) or specialty work to ensure interest from top-tier, more experienced contractors who often will not participate in projects where contracts are awarded by low bid. These alternative contracting methods also allow staff to prioritize contractor qualifications, such as: experience, work type specialties, and prior performance in terms of quality, timeliness, and safety record. Ultimately, the City wants to establish professional relationships with our contracting community who are instrumental in the City's maintenance, repair, and rebuilding of its infrastructure; where contractors are awarded projects at a fair, competitive price and the City receives an end product that the City's residents can be proud of and that will serve the community well for generations to come.

The undersigned proponent(s) or author(s) of the primary argument in favor of Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

ARGUMENT AGAINST
MEASURE A2024
CITY OF SANTA BARBARA

VOTE NO ON MEASURE A - 2024!!

Although this measure is cloaked in the language of giving the City more authority over contracting for public works construction projects, it would do anything but. It would harm local, Santa Barbara contractors who employ local residents, and it would reward out-of-town contractors who employ workers from outside of the area. It would, over time, cost the City of Santa Barbara tens of millions of dollars in higher construction costs that could instead be spent on construction, maintenance, and improvement of local public roads and facilities, while taking jobs away from local Santa Barbarans. By resulting in more construction workers driving from out-of-town to Santa Barbara on a daily basis, it would increase traffic congestion and harm the environment.

NO ONE CONCERNED ABOUT CITY FINANCES, LOCAL WORKERS, OR THE ENVIRONMENT SHOULD SUPPORT MEASURE A - 2024!!

The City Charter currently requires that there be a fair bidding process for City construction projects from which the lowest, responsible bidder is selected. The purpose of the proposed Charter amendment is to eliminate the requirement for a fair bidding process with the lowest bidder receiving the contract. Many local contractors--employing local employees--would no longer be able to bid on City projects while the cost of City projects would increase.

MEASURE A - 2024 BENEFITS NO ONE EXCEPT POLITICALLY CONNECTED, OUT-OF-AREA CONTRACATORS!

Sometimes, the most important things that happen in local government go unreported. Millions of dollars that could go to repairing streets, sidewalks, parks, and public safety facilities will instead go to benefiting big out-of-area construction companies that make big contributions to local politicians.

VOTE AGAINST THE CITY OF SANTA BARBARA CONSTRUCTION-POLITICAL COMPLEX!

VOTE NO ON MEASURE A - 2024!

The undersigned proponent(s) or author(s) of the primary argument against Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

Primary Elections in California

At the March 5, 2024, Presidential Primary Election, voters choose the candidates who will run in the General Election in November. You may see **three different types of primary elections** on your ballot: **Presidential Primary (nominated by party), California Top-Two Primary (nominated by voters), and Local Nonpartisan Primary**. The way each primary works depends on the office.

Presidential Primary
Nominated by party

California Top-Two Primary
Nominated by voters

Local Nonpartisan Primary

Which offices are in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
• U.S. President During presidential primary elections, parties also nominate candidates for County Central Committees and County Councils.	• U.S. Senator • U.S. Representative • State Senator • State Assembly Member	• County Supervisor • Superior Court Judge
A candidate's political party **always** appears on the ballot.	A candidate's political party preference (or "None") **always** appears on the ballot.	A candidate's political party preference **never** appears on the ballot.

Who can vote in each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
Only voters who are registered in the same political party as the candidate can vote for these offices. Some parties allow voters who registered with no party preference to vote in the Presidential primary.	**All voters** can vote for any candidate running for these offices.	**All voters** can vote for any candidate running for these offices.

What is the result of each type of primary election?

Presidential Primary Nominated by party	California Top-Two Primary Nominated by voters	Local Nonpartisan Primary
The winner of each party's presidential primary will help select who will represent that political party in the General Election.	The top two candidates with the most votes move on to the General Election. They may have the same political party preference.	Candidates who receive at least 50% plus 1 vote are elected and are not on the General Election ballot. If no candidate wins by majority vote, the two candidates with the most votes move on to the General Election.

How to Vote for United States President in a Primary

Voting for U.S. President depends on the political party preference you are registered with.

I am registered with a qualified political party

If you are registered with one of the following qualified political parties in California, you may only vote for that party's presidential candidates:

- American Independent Party
- Democratic Party
- Green Party
- Libertarian Party
- Peace and Freedom Party
- Republican Party

If you want to vote for a presidential candidate from a party other than the one you are registered with, you must re-register to vote with that specific party. To change your registration, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

I am registered with No Party Preference or an unqualified/unknown political party

If you are registered with No Party Preference or an unqualified political party, your Vote by Mail ballot will not have presidential candidates on it. If you want to vote for U.S. president you may request a primary election ballot with presidential candidates from one of the following parties that are allowing cross-over voting in the presidential primary election:

- **American Independent Party**
- **Democratic Party**
- **Libertarian Party**

Voting by mail

In November 2023, voters registered with No Party Preference, an unqualified political party, or with an unknown political party preference were sent a card from the County Elections Division. On this card voters could request to receive a primary election ballot with either **American Independent Party, Democratic Party, or Libertarian Party** presidential candidates on it. If you completed and returned this card, the primary election ballot mailed to you will include the presidential candidates for the party you selected.

If you did not return or receive this postcard, or you would like to change your selection, visit our *Upcoming Elections & Events* webpage at **sbcvote.com** and complete the *No Party Preference Cross-Over Ballot Notice and Application* or contact the County Elections Division by email at **votebymail2@countyofsb.org** or call 1-800-SBC-VOTE (1-800-722-8683).

Voting in person at your polling place

Do not vote the ballot you receive by mail. When checking in at your polling place on Election Day, you may request a primary election ballot with presidential candidates from either the **American Independent Party, Democratic Party, or Libertarian Party.**

If you want to vote for a presidential candidate from the **Green Party, Peace and Freedom Party, or Republican Party**, you must register with that specific party. To re-register to vote, visit **registertovote.ca.gov**. If you need to re-register **after February 20, 2024**, you may do so in person at a County Elections Division office or at your polling place.

To check your voter registration status, visit **voterstatus.sos.ca.gov**

How to Vote at the Polls

Find your polling place on the back cover of this guide, visit our *Upcoming Elections & Events* webpage at **sbcvote.com** or call the County of Santa Barbara Elections Division at 1-800-SBC-VOTE (1-800-722-8683).

Look near the wheelchair symbol on the back cover of your guide to determine if your polling place is accessible to voters with specific needs. Curbside voting is also available at all County Elections Division offices and polling places.

What do I do to vote at my Polling Place?

1. Take the Vote by Mail ballot you received in the mail to your polling place and give it to the Check-In Clerk.
2. Provide your name and address to the Check-In Clerk and let them know if you need assistance marking your ballot.
3. Verify your information and sign on the Electronic Poll Book Tablet.
4. Take your ballot ticket given to you by the Check-In Clerk to the Ballot Issue Clerk to get your ballot. Please make sure your ballot matches the Sample Ballot in this guide.
5. Vote your ballot at one of the voting booths.
6. Deposit your voted ballot into the ballot box.

What to do if…

You do not have your Vote by Mail ballot to turn in to the Check-In Clerk and want to vote at your polling place:

- If the Check-In Clerk can confirm that you have not already voted in the election, then you may be issued a poll ballot to vote. If the Check-In Clerk is unable to confirm that you have not already voted in the election, you will be issued a Provisional Ballot to vote. Your Provisional Ballot will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not re-register:

- Let the Check-In Clerk know. They will give you a new voter registration card to complete.
- You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:

- If you have a new address, the Check-In Clerk will give you a form to complete to update your address.
- If you are at the wrong polling place, you have the following options:
    - Go to your correct polling place; or
    - Vote using an ImageCast® X (ICX) ballot marking device for your precinct's ballot; or
    - Vote a Provisional Ballot from the available ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up to two (2) people to assist you with marking your ballot.
    - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. A poll worker is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

STATEMENT OF CANDIDATE FOR
United States Representative
District 24

SALUD CARBAJAL **Age: 59**
Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm working to advance our Central Coast priorities in Congress.

I grew up on the Central Coast. My father worked as a farmworker in Ventura County. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served our country in the Marine Corps Reserves and Santa Barbara County as County Supervisor. My wife, Gina, and I raised our family here, and now are watching our grandchildren grow up here.

In Congress, I've focused on supporting hardworking families and growing the middle class. I helped pass landmark laws that are creating good-paying jobs, making overdue investments in our infrastructure and clean energy, and helping to lower costs of living – including health care, housing, and other everyday essentials.

I've also worked on legislation that protects our environment, addresses climate change, bans new offshore oil drilling off our coastline, increases support for veterans, and makes our communities safer by getting guns and drugs like fentanyl off our streets.

At a time when Washington dysfunction is at an all-time high, I've remained focused on finding common ground and working across the aisle on commonsense solutions, from tackling homelessness and the high cost of childcare to delivering disaster relief for communities impacted by natural disasters.

I would be honored to continue working for you in Congress.

For more information, visit SaludCarbajal.com.

I kindly ask for your vote. Thank you.

STATEMENT OF CANDIDATE FOR
State Senator
District 21

S. MONIQUE LIMÓN
Occupation: California State Senator

Education and Qualifications: As a lifelong resident of Santa Barbara County, I'm honored to represent the Central Coast in the State Senate.

I have a proven record of working to improve our schools, protect our environment, expand job training, advance women's health care, protect consumers, combat the high cost of living, and bring resources to our area to prevent and fight wildfires. That's why I am proud to be supported by a broad range of community leaders including teachers, nurses, and firefighters.

Since being elected, I've worked to tackle climate change, protect consumer privacy, improve mental health care and long-term strategies to prevent homelessness, improve access to quality healthcare including aging and Alzheimer's, and help safeguard human trafficking survivors. Access to healthcare continues to be a priority for our community and I have worked with a coalition to protect and improve it. I earned a 100% voting record with Health Access California.

I've worked to protect our air, water and coastline, and earned a 100% rating from the Sierra Club and California Environmental Voters.

In response to the Supreme Court's overruling of Roe v. Wade, I co-authored Proposition 1, which passed overwhelmingly by the voters of California, to enshrine the right to choose for women in our State Constitution.

These challenging times require effective leadership and the integrity to stand up for the people of the Tri-Counties. I believe my record reflects both.

I would be honored to earn your vote for my re-election to the State Senate. Thank you for your consideration

1st District

ROY LEE **Age: 41**

Occupation: Carpinteria City Council Member/Small Business Owner

Education and Qualifications: As a committed City Council Member and active community member, I am running for District 1 Supervisor to champion meaningful change. My aim is to ensure our government is truly people-centric.

A Dos Pueblos High School and UCSB alumnus, I'm a father, husband, and small business owner. These roles have given me a deep understanding of the challenges faced by our community. My drive is to enhance the lives of all residents in our district.

My focus as your Supervisor will be:

1. Sustainable Development and Infrastructure: I advocate for environmentally respectful housing that aligns with our community's needs, safeguarding our neighborhood character. This includes investing in modern infrastructure, affordable housing, preserving open spaces, and opposing over-development.
2. Transparent and Accountable Government: I envision a government that actively listens, operates openly, and places public interest above special interests.
3. Community Safety and Preparedness: Understanding our region's vulnerability to natural disasters, I am dedicated to strengthening our resilience against wildfires, floods, and debris flows.

I am not a career politician. I am a community member who will serve you, not the special interests and political donors. With your support, we can build a brighter future. Vote Roy Lee for District 1 Supervisor - a voice for the people.

DAS WILLIAMS **Age: 49**

Occupation: Santa Barbara County Supervisor

Education and Qualifications: I grew up in Santa Barbara County, attended local schools, and have been honored to represent our community for over 20 years as a Santa Barbara City Councilmember, State Legislator, and now as County Supervisor.

A lot of politicians talk about solving problems, but I have a proven track record of delivering results. As your representative, I have:

- Prepared us for natural disasters, improving emergency response times and securing an unprecedented commitment to flood control projects and fire safety measures.

- Authored landmark laws requiring half of California's electricity come from renewable sources, pursuing even more aggressive goals locally, and been a fierce protector of our environment - holding oil companies accountable in the wake of the Refugio Oil Spill.

- Reduced veteran homelessness by 60% in three years by creating more housing and shelters, and expanding mental health services.

- Turned around a $6 million County Budget deficit into a surplus - investing more resources into public safety, homelessness, libraries, and parks and trails.

Please join our County Firefighters, the Central Coast Labor Council, and the many other community leaders in supporting my re-election as County Supervisor.

IMPARTIAL ANALYSIS BY CITY ATTORNEY

MEASURE A2024

CITY OF SANTA BARBARA

Measure A2024 is a City Council proposal to amend City Charter Section 519 to modernize the City's public works contracting. If approved by a majority of the City's voters, Measure A2024 would amend the City Charter to allow the City Council to establish procedure for competitive contracting for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities in any manner available to other charter cities in California within the full scope of its "Home Rule" authority under the Constitution and laws of California.

The City Charter currently limits the City to a single contracting method for construction or improvement of City buildings, streets, parks, playgrounds, utilities, and other facilities. The Charter currently requires construction contracts to be awarded to the lowest responsible, responsive bidder after a notice published in a newspaper of general circulation. There are limited exceptions for maintenance and repair and emergency work contracts. The current Charter authorizes the City Council to establish alternate contracting methods for water system projects. Measure A2024 would instead allow the City Council to establish alternate methods of competition for public works contracts for all types of public works projects.

Measure A2024 will amend Charter Section 519 to read: "The City Council, by ordinance, shall establish procedures for competitive procurement of contracts for public works and improvements not otherwise prohibited by law. The City may also procure contracts for public works and improvements by any procedure authorized by state statute." It will also allow the City to contract for public works under any procedure authorized by state statute. Measure A2024 was placed on the ballot by the City Council upon recommendation of the Public Works Director.

A "yes" vote is a vote to approve the proposed Charter amendment.

A "no" vote is a vote not to approve the proposed Charter amendment.

Sarah J. Knecht
City Attorney
City of Santa Barbara

ARGUMENT IN FAVOR OF
MEASURE A2024
CITY OF SANTA BARBARA

I encourage all Santa Barbara residents to support this ballot measure to modernize Public Works contracting. It provides the City Council with the authority to enable multiple contracting methods that are allowed by California State Law. The end goal is the ability to deliver competitively priced, high quality, and on-time capital (*construction*) projects.

The City Charter adopted in 1967 requires all public works contracts, with few exceptions, to be awarded by low bid contracting. Public agency contracting methods have substantially evolved since the original Charter adoption. The proposed Charter amendment will modernize the City's contracting methods to current standards by permitting City Council to expand the current low bid contracting with such options as: best value, design/build, construction manager at risk (CMAR) and simplified procurement for smaller contracts (<$500,000). This change is important for large, complex projects (such as the new Police Station) or specialty work to ensure interest from top-tier, more experienced contractors who often will not participate in projects where contracts are awarded by low bid. These alternative contracting methods also allow staff to prioritize contractor qualifications, such as: experience, work type specialties, and prior performance in terms of quality, timeliness, and safety record. Ultimately, the City wants to establish professional relationships with our contracting community who are instrumental in the City's maintenance, repair, and rebuilding of its infrastructure; where contractors are awarded projects at a fair, competitive price and the City receives an end product that the City's residents can be proud of and that will serve the community well for generations to come.

The undersigned proponent(s) or author(s) of the primary argument in favor of Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

ARGUMENT AGAINST
MEASURE A2024
CITY OF SANTA BARBARA

VOTE NO ON MEASURE A - 2024!!

Although this measure is cloaked in the language of giving the City more authority over contracting for public works construction projects, it would do anything but. It would harm local, Santa Barbara contractors who employ local residents, and it would reward out-of-town contractors who employ workers from outside of the area. It would, over time, cost the City of Santa Barbara tens of millions of dollars in higher construction costs that could instead be spent on construction, maintenance, and improvement of local public roads and facilities, while taking jobs away from local Santa Barbarans. By resulting in more construction workers driving from out-of-town to Santa Barbara on a daily basis, it would increase traffic congestion and harm the environment.

NO ONE CONCERNED ABOUT CITY FINANCES, LOCAL WORKERS, OR THE ENVIRONMENT SHOULD SUPPORT MEASURE A - 2024!!

The City Charter currently requires that there be a fair bidding process for City construction projects from which the lowest, responsible bidder is selected. The purpose of the proposed Charter amendment is to eliminate the requirement for a fair bidding process with the lowest bidder receiving the contract. Many local contractors--employing local employees--would no longer be able to bid on City projects while the cost of City projects would increase.

MEASURE A - 2024 BENEFITS NO ONE EXCEPT POLITICALLY CONNECTED, OUT-OF-AREA CONTRACATORS!

Sometimes, the most important things that happen in local government go unreported. Millions of dollars that could go to repairing streets, sidewalks, parks, and public safety facilities will instead go to benefiting big out-of-area construction companies that make big contributions to local politicians.

VOTE AGAINST THE CITY OF SANTA BARBARA CONSTRUCTION-POLITICAL COMPLEX!

VOTE NO ON MEASURE A - 2024!

The undersigned proponent(s) or author(s) of the primary argument against Ballot Measure A2024 at the Presidential Primary Election for the City of Santa Barbara to be held on March 5, 2024 hereby state that this argument is true and correct to the best of their knowledge and belief.

THIS IS HOW SANTA BARBARA COUNTY STAYS OFFICIALLY INFORMED IN AN EMERGENCY

The County's emergency notification system is designed to provide official information and warnings before, during and after emergencies. This is vital in helping residents make important safety decisions, such as evacuation.

READYSBC.org ReadySBC Alerts:

This is the County's central alerting tool. It sends warnings and information to residents through text message, email, cellular phone (voice), landline, and TTY/TTD.

How do I get this? In order to receive these official messages from the County, you must sign up for alerts. Go to **www.ReadySBC.org.** To confirm you are signed up, click the red "Register for Alerts" button, then follow the prompts to log in. Once you are in the system, verify that your info is correct and you have at least one address listed and one way for the County to reach you (text, email, cell, landline).

Scan the QR Code to register for ReadySBC Alerts

Nixle:

This alerting tool delivers emergency alerts and information through a short text message and it's completely anonymous!

How do I get this? Text your zip code to 888777 and you are done! You can also receive Nixle text alerts in Spanish. More info is available at **www.Nixle.com**

Emergency Alert System (EAS):

EAS messages are transmitted via radio and television by participating local broadcasters, cable, and satellite providers and contain an audio message and a scrolling text.

How do I get this? You do not have to sign up for these types of alerts but you do have to be tuning into a local TV, radio, or cable/satellite station.

Wireless Emergency Alerts (WEA):

WEA is a public safety alerting tool that allows customers who own certain wireless phones and other enabled mobile devices to receive geographically- targeted, text-like messages alerting them of imminent threats to safety in their area.

How do I get this? You do not need to sign up to receive a WEA, but wireless companies volunteer to participate in the system, so check with your cell phone company to find out if they participate.
