ELECTION CHANGES DUE TO COVID-19

Recognizing the threat COVID-19 continues to pose to public health, Governor Gavin Newsom signed Executive Orders N-64-20 and N-67-20 and the State of California chaptered Assembly Bill 860 and Senate Bill 423, which make changes to the November 3, 2020 General Election. This election will be different in several ways.

What has changed?

Vote by Mail ballots will be mailed to all active registered voters in California.

- To minimize risk of exposure to COVID-19, we strongly encourage voters to use the ballot mailed to them and return their voted ballot at a secure ballot drop box starting 28 days before the Election or by mail.

More Ballot Drop Boxes will be located throughout the County to provide voters additional no-contact locations to return ballots directly to our office.

Remote Accessible Vote by Mail Voting option is available to all registered voters.

In-Person Voting at Polling Places will be available beginning Saturday, October 31 – Tuesday, November 3, 2020.

- Precincts and polling places are being heavily consolidated, so there will be approximately 50 fewer in-person voting locations.

Vote Early! Long Lines will occur at Polling Places on Election Day if voters wait to vote. If you need to vote in-person, you have 28 days before the election to vote and return your ballot. Either at our offices starting October 5, or at your Polling Place starting October 31.

You will find more information on the Election in this guide or by visiting our website at http://www.sbcvote.com.

Accessible Voting

The following resources are available to assist voters. To apply for assistance, please complete and return the application on the back of this guide.

Remote Accessible Vote by Mail (RAVBM) System. Voters can vote their ballot independently on their own computer using their personal assistive device (including mouse) to make their vote selections, download, and print their ballot. The voter will then use either the envelope that came with their Vote by Mail packet or their own envelope to return the voted ballot and signed declaration. RAVBM ballots can be returned in the same way as all other Vote by Mail ballots and have the same deadlines for receipt. For more information see the Remote Accessible Vote by Mail page in this guide or visit our website at www.sbcvote.com/RAVBM.

Language Assistance. Voters can call our office and speak with an operator in Spanish or can ask for language assistance in other languages through an interpreter service. Bilingual (English/Spanish) staff will be available at all Election Offices and Polling Places and if needed, staff can use the interpreter service by telephone.

All voting materials are available in Spanish. Precincts identified by the State as requiring Chinese, Korean and Tagalog will have language assistance available for the specified precincts.

Election Materials in other formats. Audio CDs and large print versions of the information printed in this guide and the State Voter Information Guide are available upon request.

Remote Accessible Vote by Mail (RAVBM)

For the November 3, 2020, General Election, all voters will receive a ballot in the mail. Santa Barbara County will begin mailing voters their official ballots on October 5th.

You can also vote with Remote Accessible Vote by Mail. RAVBM lets you:
- Download, mark, and print your ballot at home
- Use your own assistive technology to read and mark your ballot
- Select the English or Spanish for your ballot

RAVBM is not “internet voting.” You must print and return your marked ballot.

You must request your RAVBM ballot by October 27th

How to vote from home (accessibly!) with RAVBM:

1. Request an RAVBM ballot access link
   By submitting the application on the back of this guide, or contact the Elections Office by phone at 1-800-722-8683 by email at votebymail2@co.santa-barbara.ca.us or on the web at www.sbcvote.com/RAVBM.

2. Mark your ballot
   Use the access link to open your ballot. Mark the ballot on your own computer, with your own assistive technology, if needed.

3. Review and print your ballot
   Review your ballot choices and make any corrections. Download and print your ballot.

4. Seal and sign your ballot return envelope
   Put your RAVBM ballot in the return envelope you received in the mail with your official ballot. Only vote and return one ballot, either the one mailed to you or the RAVBM ballot. It is a crime to vote twice. Sign the voter’s declaration (punched holes tell you where to sign). Seal the envelope.

5. Return your ballot by Election Day
   - By mail. Your envelope will include pre-paid postage!
   - At any secure ballot drop box in California.
   - At any in-person voting location or at any County elections office in California.

Find your polling place on the back cover of this guide or call the County Elections Office at 1-800-SBC-VOTE or 1-800-722-8683.

The Elections Office has attempted to locate Polling Places that are accessible to all voters; however, in some cases we need to use a location that didn’t meet all the accessibility requirements. Because of this fact, we are offering curbside voting at all our Election Offices and Polling Places. We have also identified why a polling place was considered inaccessible on the List of Polling Places contained in this guide. This will help you determine if it is inaccessible to you.

What do I do once I am inside the Polling Place?

1. You will be asked to provide your name and address and if you will need any assistance.
2. You will then be asked to sign the Official Roster Label containing your information.
3. You will then be provided your ballot. Please make sure your ballot matches the Sample Ballot in this guide and follow the instructions on the ballot.
4. Vote your ballot at one of the voting booths and use the disposable secrecy sleeve to cover your vote choices. Then take it to the clerk near the ballot box who will ask you to deposit your ballot in the ballot box.

What to do if...

You received a vote by mail ballot and want to vote at your polling place:

- Take your ballot you received in the mail to the polling place and give it to the check-in clerk; or
- If you do not have your ballot to turn in, the check-in clerk will see if a valid ballot has been cast by you. If not, you will be issued a ‘live’ ballot to vote. If we are unable to sufficiently determine that a ballot hasn’t already been cast by you, you will be issued a provisional ballot which will be counted as long as you haven’t already voted in this election.

You changed your name and did not reregister:

1. Let the check-in clerk know. They will give you a new voter registration card to complete.
2. You will need to sign your new and old name on the Official Roster Label.

You didn’t provide your California driver’s license number when you mailed in your voter registration and you are voting for the first time:

You will be asked to show a form of identification when you go to vote at the polling place. There are 30 forms of identification that can be used. To see a list of accepted forms visit https://www.sos.ca.gov/elections/hava-id-standards/.

You are at the wrong polling place location or you are listed at a different address:

- You will be given a form to complete to update your address.
- If you are at the wrong polling place, you will be given the option to go to your correct polling place or to use the ImageCast X® (ICX) ballot marking device.
- If you don’t want to vote using the ICX ballot marking device, you have the option to vote provisionally using that precinct’s ballot. Only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up two (2) people to assist you with marking your ballot.
- Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the check-in clerk that you need assistance voting your ballot. A Poll Worker is able to assist if needed.
- You and your assistant(s) will be asked to complete the Assisted Voter form of the Official Roster.
Vote Safe!  Vote Early!  Vote By Mail!

Dear Voter:

Pursuant to the Governors Executive Order, all California voters will be delivered a ballot in the mail for the November 3rd Presidential General Election!

California Elections Officials are conducting the State’s first all-mail ballot election. For Santa Barbara County, this means there will be approximately 230,000 ballots mailed to voters a month before the November 3rd election!

Voting is easy – we have created several options for you to cast your ballot and ensure that your vote is counted. The most important thing to remember is to avoid long lines and vote early!

Options for voting:

• **IN PERSON VOTING LOCATIONS:** If you don’t have your mail ballot, we will have 35 in-person voting locations set up across the county for you to get a replacement ballot beginning Saturday, October 31 (Boo!) through Election Day, Tuesday, November 3, 2020. You can also register to vote and cast a ballot at any one of these polling locations. But don’t wait until the last minute! **Avoid long lines and vote early!**

• **VOTE BY MAIL:** Have your local postal carrier deliver your ballot to County Elections. But remember there are 230,000 ballots to be returned. **Vote Early!** Give your postal workers time to return your ballot by putting your ballot in the mail at least seven days prior to Election Day. Blue postal boxes are always recommended. **No postage required!**

• **COUNTY ELECTIONS DROP BOX:** Secure Ballot Drop Boxes are strategically placed throughout the county. Ballots must be deposited in the Ballot Drop Box no later than 8 p.m. on Election Day November 3, 2020. **But don’t wait – Vote Early!**

• **DROP OFF YOUR BALLOT:** Your ballot can be returned at one of our three County elections offices located in Lompoc, Santa Barbara and Santa Maria. **These offices are open 29 days prior to Election Day.**

VOTE SAFELY & EARLY at Polling Place Locations

Polling Places in Santa Barbara County will be available for three days prior to and on Election Day, November 3, 2020.

Each Polling Place location will offer:
- Obtaining a replacement ballot;
- Returning the vote by mail ballot mailed to you;
- Voting on an accessible voting machine;
- Language assistance;
- Registering and voting on the same day.

You can help keep voting locations safe for voters and election workers in these three ways:

1. **Locate your Assigned Polling Place Location.**
   Voters have been assigned to a specific Polling Place to help reduce the number of voters going to any one location. Your assigned Polling Place is printed on the back cover of this guide. There are certain areas throughout the county that do not have a Polling Place location due to low voter population. These voters are required to vote by mail.

2. **Avoid Long Lines. Vote early.**
   If you visit your Polling Place location in person, go before Election Day to help with physical distancing. We especially encourage older adults and people with underlying medical conditions to avoid long lines and crowded Polling Places by voting early.

3. **Follow safety procedures.**
   Protect your health and the health of other voters and election workers at Polling Place locations by wearing a mask, washing/sanitizing hands, keeping 6-foot social distance from other people, and bring your own ballpoint pen to sign in and use while voting.

**Days and Hours of Operation:**
- Saturday, October 31, 9am-5pm
- Sunday, November 1, 9am-5pm
- Monday, November 2, 9am-6pm
- Tuesday, November 3, 7am-8pm

Things to be aware of before going to either an Election Office or Polling Place:
- Voters arriving without a mask will be provided one or may need to vote in a designated location;
- Voters will be asked to follow safety protocols such as maintaining 6-foot social distancing, use hand sanitizer, follow the direction of the clerks there to assist voters.
- Lines will be formed outside the location (regardless of weather conditions) with voters allowed to enter as space is available.

Expect long lines and wait times due to the limited number of voters allowed into a location at a time and the safety protocols we will be following. Additionally, the number of Polling Places available has been reduced by more than 50 locations, with precinct sizes as large as 10,000 voters.

**Has your voter registration status changed?**

- Have you moved?
- Have you changed your name?
- Has your mailing address changed?

If you can answer yes to any of these questions, then you need to update your voter registration at [http://www.registertovote.ca.gov](http://www.registertovote.ca.gov) prior to midnight on the Close of Registration or follow the link on the Santa Barbara County Elections website at [http://www.sbcvote.com](http://www.sbcvote.com).

**Forgot to register to vote or update your registration?**

No problem! If you are not registered to vote or if you need to update your voter registration, you can register to vote and vote a ballot up to and including Election Day. This is known as conditional voter registration. Conditional voter registration can be done at the Election Office or at your Polling Place.

To find the correct polling location for your address and make sure you receive a ballot containing all candidates and measures you are eligible to vote on, please call our office at 1-800-SBC-VOTE (1-800-722-8683) or use the Polling Place and Sample Ballot Lookup on the Upcoming Elections page of our website at [http://www.sbcvote.com](http://www.sbcvote.com).

If you do not confirm your polling location, the ballot you will be given might not be the exact ballot that you are entitled to vote. It may have different candidates and ballot measures that you are not eligible to vote on. Once it is determined that you are eligible to register to vote, our office will count only the votes for the candidates and measures that you were entitled to vote on.
Candidates have the option to prepare and pay for a statement to be printed in this guide. The candidate statements are printed exactly as submitted, including errors. The statements are printed in the random alpha order conducted by either the Secretary of State or County Elections Official depending on the race.

The following pages may or may not represent a complete list of candidates. A complete list of candidates appears on the Sample Ballot pages of this guide in Appendix C.

Expenditure Limitations – State Legislative Candidates

Voters passed Proposition 34 in November 2000. This law says we must tell voters the names of candidates who agree to campaign spending limits. This law only applies to candidates for State Legislative offices. Candidates who agree are allowed to pay for and publish a candidate’s statement of qualifications in this Voter Information Guide.

The following candidates have agreed to abide by the campaign spending limits.

I attended UCSB while working two jobs to become the first in my family to graduate from a university. My wife, Gina, and I have raised our children here. In Congress, I’m fighting to make sure that everyone has opportunities to get ahead. I know many individuals and families are struggling and concerned about the effects of COVID-19 on our health, jobs, and local economy. I’m working across party lines to protect health care and ensure it remains affordable and accessible during this pandemic. I helped secure more than $77 million to help Central Coast hospitals, health clinics, and frontline workers. I supported emergency aid that brought more than $1 billion in financial relief for small businesses, farmers, local governments, and retained more than 150,000 jobs. In Congress, I will continue working with Republicans and Democrats to find bipartisan solutions for the challenges facing the Central Coast and our nation. I am proud to have worked on legislation that preserves our pristine environment, addresses climate change, and bans offshore oil drilling. I will keep fighting to create jobs, increase support for veterans, address racial inequality, and promote commonsense gun safety measures. STATEMENT OF CANDIDATE FOR
State Senator,
19th District

S. MONIQUE LIMÓN
Occupation: State Assemblymember

Education and Qualifications: I represent Santa Barbara and Ventura Counties in the State Assembly, and am a lifelong resident of the area. I have a proven record of working to improve our schools, protect our environment, expand job training, advance women’s health care and protect consumers.

But perhaps most important, as we face the COVID-19 pandemic and its effect on our health, schools and economy, I have experience leading our region through crises, including wildfires.

I have successfully fought to get frontline workers the protective equipment and emergency supplies needed in this crisis. To help Californians get through the economic hardship caused by COVID-19, I worked to bring an additional 20 weeks of unemployment benefits for employees, tax relief for employers, and assistance for nonprofits and small businesses to help them survive the crisis.

As the former Chair of the California State Assembly Select Committee on Natural Disaster Response, Recovery, and Rebuilding, I have fought to improve emergency communication, clean-up hazardous materials, and create a statewide taskforce on fire prevention.

Access to healthcare continues to be a priority for our community and I am working with a coalition to protect and improve it. I earned a 100% voting record with Health Access California, helped pass prescription drug pricing transparency, and wrote new laws providing emergency physicians with critical medical records and keeping the cost of cancer medication down.

I am proud to be supported by a broad range of frontline workers, including nurses, teachers, grocery workers, and firefighters. I would be honored to earn your vote, too.

STATEMENT OF CANDIDATE FOR
Member of the State Assembly,
37th District

STEVE BENNETT
Occupation: Ventura County Supervisor

Education and Qualifications: I’m proud of my record of solving problems and getting things done, as a Ventura County Supervisor, environmental leader and teacher. I’d be honored to earn your vote for State Assembly, representing both Santa Barbara and Ventura Counties.

We’ve been facing crisis on top of crisis locally for the past few years, starting with wildfires and continuing now with the unprecedented COVID-19 pandemic. I’m a proven problem-solver who gets things done, and that’s why I’m supported by frontline workers and first-responders, including nurses, firefighters, and paramedics. They want a leader with the experience and effectiveness to help get us through the current crisis.

I passed laws to stop oil companies and other corporate polluters from contaminating our air, land, drinking water and beaches. That’s why I’m supported by the Sierra Club.

I brought fiscal discipline to county government without cuts to vital local services, and secured funding to bolster firefighting efforts.

As an experienced local educator, you can count on me to work for increasing funding for our public schools.

I’m an independent local leader who stands up to powerful special interests, and wrote one of the strongest campaign reform laws taking big money out of local politics.

Thank you for your consideration.

STATEMENT OF CANDIDATE FOR
Member of the State Assembly,
37th District

CHARLES COLE
Occupation: Media Consultant

Education and Qualifications: I’m running for State Assembly, having received the most votes in the March 3rd primary election. I will not be rolled, and I will not let you down.

These are my top Assembly priorities:
100% Support for our Law Enforcement officers, and defense of the Second Amendment
100% Opposed to any bills imposing Anti-American indoctrination on California kids K-University
100% Support a return to American Civics education
100% Support of individual Health Care Choice
100% Support School Choice and Vouchers for Safe Schools
100% Alliance with any Assembly member repealing AB-5, CAC-5
100% Opposition to any new taxes. Instead, I propose a 33% reduction of the top 10,000 state employee salaries. Use that money to lower taxes on small businesses, property owners, and COVID-19 workers
100% Support re-directing billions being spent on the ‘train-to-nowhere’. Use that money on self-help resources for the homeless who are willing to re-enter society
100% Defense of Prop 13. I will not witness, nor permit any roll-back of Prop-13

In the Assembly, I will apply my 6 metrics for voting on any Bill that crosses my desk.

I’m asking for your vote.

JEFF WEINBENDER Age: 53
Occupation: Teacher and Parent

Education and Qualifications: My wife and I have been blessed to call Carpinteria home for the past 20 years. I love this town and I am honored for this chance to serve Carpinteria on our School Board.

I have been a teacher in the Santa Barbara Unified School District for the past 25 years. I teach US History. My wife, Justina, teaches English and our daughter is in 8th grade. Education is our vocational priority and we care greatly about the issues our schools face.

In this ever increasing world of mixed messages, students, now more than ever, need to seek the truth - not be easily swayed by false narratives and misleading posts. Students need the fortitude to ask the big questions to find the big answers.

Students need to be challenged at school to realize their capability. When you achieve something difficult - you build self-esteem. Our mission is to support them in this task.

These are the most challenging days our schools have faced. We have all seen how important school is for our kids and our community. We supported our students last spring. We must all strive to make these upcoming days meaningful and enriching. It can be done.

Where two or more candidates for the same office are to be elected, place a mark next to the names of all candidates for the office for whom you desire to vote, not to exceed, however, the number of candidates to be elected. To vote for a qualified write-in candidate, write the person's name in the blank space provided for that purpose. After the names of the other candidates for the same office. To vote on any measure, mark the Voting Target next to the word "Yes" or after the word "No" on the designated space of the vote for a candidate or measure may compromise the secrecy of the ballot. If you wrong mark, tear, or deface this ballot, return it to the elections official and obtain a new one. To vote, use ballpoint with dark ink to fill in the oval completely like this.
